The Government of India is cognizant that primary health care is currently focusing largely on reproductive, maternal, new-born, child and adolescent health and communicable diseases. This poses a challenge given the epidemiological transition, where non-communicable diseases account for nearly 62% of deaths among men and 52% among women-most of which are premature in nature. The situation is exacerbated by the fact that there is low utilization of public health system, especially at the level of Community Health Centre (except for child birth related services). There is lack of effective gate-keeping and referral, leading to fragmentation of health care services. Families are forced to incur high out of pocket expenditure thereby leading to impoverishment and poverty on account of medical and hospitalization expenses. Health is an important cornerstone to the Government’s vision of development, “Swath Bharat, Samriddhdh Bharat (Healthy India, Prosperous India).

To fulfil the vision of Health for All and Universal Health Coverage, enshrined in the National Health Policy 2017, the Government conceived Ayushman Bharat’ (Healthy India), a pioneering initiative led by Prime Minister Shri Narendra Modi. Ayushman Bharat: The Scheme India has achieved significant public health gains and improvements in health care access and quality over the last three decades. The health sector is amongst the largest and fastest growing sectors, expected to reach US$ 280 billion by 2020. At the same time, India’s health sector faces immense challenges. It continues to be characterized by high out-of-pocket expenditure, low financial protection, low health insurance coverage amongst both rural and urban population. It is a matter of grave concern that we incur high out-of-pocket expenditure on account of health and medical costs. 62.58% of our population have to pay for their own health and hospitalization expenses and are not covered through any form of health protection. Besides using their income and savings, people borrow money or sell their assets to meet their healthcare needs, thereby pushing 4.6% of the population below the poverty line. The Government of India is committed to ensuring that its population has universal access to good quality health care services without anyone having to face financial hardship as a consequence.

CAREERS IN FORENSIC SCIENCE

Vijay Prakash Srivastava
In detective movies and spy thrillers we find how investigators look for clues to find out who has committed the crime. They also explore the trail which could lead to the criminals. Such investigators make comprehensive use of forensic science to find out the facts and to draw their conclusions. From this we can see how important is the subject of Forensic Science.

Forensic science is the application of various disciplines of science such as physics, chemistry, biology, computer science and engineering to matters of law. Forensic science plays a significant role in the criminal justice system by providing scientifically based information through the analysis of physical evidence. During an investigation, evidence is collected from a crime scene or from a person, analysed in a crime laboratory after which the results are presented for convicting the criminals and dispensing justice. It is easy to think of a career in forensic science as being a powerful force in support of justice and public safety. Properly applied, it clears the innocent and helps convict the guilty. The job of a Forensic scientist is to help collect, preserve, and examine physical evidence during the course of an investigation. The subject can be divided into three categories. The first one is Forensic Medicine which includes forensic pathology, psychiatry, psychology, and odontology. Next comes Laboratory sciences consisting of chemistry, biology, toxicology, ballistics, fingerprints, targeted documents and impressions.

AYUSHMAN BHARAT: ...

Continued from page 1

Under the ambit of Ayushman Bharat, a Pradhan Mantri Jan Arogya Yojana (PM-JAY) to reduce the financial burden on poor and vulnerable groups arising out of catastrophic hospital episodes and ensure their access to quality health services was conceived. PM-JAY seeks to accelerate India’s progress towards achievement of Universal hospitalization expenses. The scheme is entitlement based, the beneficiary is decided on the basis of family being figured in SECC database. When fully implemented, the PM-JAY will become the world’s largest government funded health protection mission.

Benefits of PM-JAY

Beneficiary Level

- Government provides health insurance cover of up to Rs. 5,00,000 per family per year.
- More than 10.74 crore poor and vulnerable families (approximately 50 crore beneficiaries) covered across the country.
- All families listed in the SECC database as per defined criteria will be covered. No cap on family size and age of members.
- Priority to girl child, women and senior citizens.
- Free treatment available at all public and empaneled private hospitals in times of need.
- Covrs secondary and tertiary care hospitalization.
- 1,350 medical packages covering surgery, medical and day care treatments, cost of medicines and diagnostics.
- All pre-existing diseases covered.
- Hospitals cannot deny treatment.
- Cashless and paperless access to services across India, offering assistance, complaints and grievances to a 24x7 helpline number - 14555.

Health Coverage (UHC) and Sustainable Development Goal - 3 (SDG3).

Pradhan Mantri Jan Arogya Yojana (PM-JAY) will provide financial protection (Swasthya Suraksha) to 10.74 crore poor, deprived rural families and identified occupational categories of urban workers’ families as per the latest Socio-Economic Caste Census (SECC) data (approx. 50 crore beneficiaries). It will offer a benefit cover of Rs. 5,00,000 per family per year (on a family floater basis).

PM-JAY will cover medical and hospitalization expenses for almost all secondary care and most of tertiary care procedures. PM-JAY has defined 1,350 medical packages covering surgery, medical and day care treatments including medicines, diagnostics and transport.

To ensure that nobody is left out (especially girl child, women, children and elderly), there will be no cap on family size and age in the Mission. The scheme will be cashless & paperless at public hospitals and empanelled private hospitals. The beneficiaries will not be required to pay any charges for the hospitalization expenses. The benefit also includes pre and post-treatment, out-of-pocket expenditure for hospitalization. The scheme is entitlement based, the beneficiary is decided on the basis of family being figured in SECC database. When fully implemented, the PM-JAY will become the world’s largest government funded health protection mission.

Universal Health Coverage (UHC) and Sustainable Development Goals (SDG).

- Ensure improved access and affordability, of quality secondary and tertiary care services through a combination of public hospitals and well measured strategic purchasing of services in health care deficit areas, from private care providers, especially the not-for profit providers.
- Significantly reduce out of pocket expenditure for hospitalization. Mitigate financial risk arising out of catastrophic health episodes and consequent impoverishment for poor and vulnerable families.
- Acting as a steward, align the efforts of all those involved with PMJAY, and the dedication of the doctors, nurses, healthcare providers, ASHAs, ANMs etc, the scheme would become a success.

PM launches Ayushman Bharat

PMJAY at Ranchi

The Prime Minister, Shri Narendra Modi, launched the health assurance scheme: Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana - on September 23, 2018 at Ranchi, Jharkhand. The Prime Minister visited an exhibition on the scheme, before arriving on the dais to launch PMJAY at a huge public gathering. The Prime Minister also inaugurated 10 Health and Wellness Centres. In his address on the occasion, the Prime Minister said that this launch has been done with a vision to provide the poorest of the poor, and the underprivileged sections of society, with better healthcare and treatment. He said this scheme, which envisions health assurance of 5 lakh rupees per family per year, will benefit over 50 crore people, and is the world’s biggest health assurance scheme. He said the number of beneficiaries of this scheme is roughly equal to the population of the European Union, or the population of America, Canada and Mexico, taken together. He said the first part of Ayushman Bharat - the health and wellness centres, was launched on Babasaheb Ambedkar’s birth anniversary, and the second part - the health assurance scheme, is being launched two days before Deendayal Upadhyay’s birth anniversary. Explaining how comprehensive the PMJAY is, the Prime Minister said it would cover 1300 illnesses, including serious illnesses such as cancer and heart disease. He said private hospitals too would be part of this scheme. The Prime Minister said that the amount of 5 lakhs would cover all investigations, medicine, pre-hospitalization expenses etc. He said it would also cover pre-existing illnesses. He said that people can learn more about the scheme by dialling 14555, or through their Common Service Centre. The Prime Minister said that for the States that are a part of PMJAY, people can get the benefit of the scheme in whichever of these States they go to. He said more than 13,000 hospitals across the country have joined the scheme so far. The Prime Minister also spoke of the 10 health and wellness centres inaugurated today. He said the number of such centres across the country has reached 2300. He said the aim is to have 1.5 lakh such centres in India within four years. The Prime Minister said that the Union Government is working with a holistic approach to improve the health sector in the country. He said the focus is on both ‘Affordable Healthcare’ and ‘Preventive Healthcare.’ The Prime Minister expressed confidence that through the efforts of all those involved with PMJAY, and the dedication of the doctors, nurses, healthcare providers, ASHAs, ANMs etc, the scheme would become a success.

www.Jobriya.com
Indian Customs has initiated various reforms for Ease of Doing Business.

- Mandatory filing of Bill of Entry within specified time has resulted in discipline among the trade and reduced release time in case of imports.
- An online paperless processing of application, E-SANCHIT, allowing traders to submit all supporting documents for clearance of consignments electronically, has been introduced.
- Enhanced facilitation through Risk Management System has resulted in lesser time taken for clearances.
- Authorised Economic Operator (AEO) scheme provides faster Customs clearance and simplified Customs procedures to business entities. More than 1405 entities (as on 31.06.2018) are already getting benefits under it.
- Direct Port Delivery (DPD) allows registered importers to complete Customs clearances at the terminal itself and containers can be taken directly to factories without going to CFS.
- Direct Port Entry (DPE) allows direct entry of export cargo into port terminal without any need for going to CFS.
- E-sealing of containers has been introduced replacing earlier practice of supervised sealing by department officers. It has enhanced the integrity of cargo as RFID tamper-proof e-seals are being used to seal containers now.

The overall impact of above reforms in terms of time and cost associated with imports and exports can be judged from the data of Time Release Study (TRS) 2018 conducted at JNCH, Mumbai, as under:

- The percentage of cases of filing of Advance Bills of Entry has increased to more than 56%.
- The average release time for imports has improved to 144.18 hours in 2018.
- The average release time for DPD facilitated Bills of Entry is 84.48 hours.
- In case of Bills of Entry for auto-components falling under Customs Tariff Heading 8708, the average release time is 91.52 hours.
- The net average export release time, arrived at by excluding the domestic transport time from the gross average export release time, is 84.1 hours.

Importers and Exporters can track their documents and containers on the ICEGATE website.

- The location of containers can be traced using facility "Track your Container" on www.icegate.gov.in for cargo moving to Nhava Sheva, Hazira and Mundra Ports only.
- The current status of Bill of Entry or Shipping Bill can be traced by logging into the ICEGATE website.
- Electronic tracking of Nepal-bound cargo has already been launched by Customs.

find out the cause, time and manner of injury or death comes under this branch.

Forensic Veterinary Science- Conducting autopsies of animals, investigating unwarranted deaths of animals are major activities under this branch.

Forensic Toxicology- This mainly deals with investigating nature and uses of chemicals, poison etc. in crimes and also examined adverse effects of chemicals on human beings and other living organisms.

Wildlife Forensics:- As the name suggests this branch is associated with animals and wildlife. In many cases animal skins, elephant tusks fetch a high price due to which criminals are involved in killing animals and also in smuggling of animal skins, tusks etc. Wildlife forensics helps in investigation of time and situations of crime, to help nab the criminals and to curb illegal trafficking of protected animals.

Forensic Odontology- Forensics are all about understanding structures to explain injuries and death associated with crimes in which assault has occurred on face, teeth etc. resulting in injury or death.

Forensic Speech Science: This deals with voice recording and analysing voice samples using technological tools with the purpose of identifying the speaker. Voice recordings are considered as evidence in the court of law and are very much of crucial help in exploring evidences of crimes.

Study of Forensic Science

As an independent subject, study of Forensic Science is offered at graduate level. A number of institutes, both universities and colleges, in the country, run a B.Sc. course in Forensic Science. A postgraduate qualification is more desirable to become a professional in the area and for better career prospects. For a B.Sc. course in Forensic Science one should have studied science at 10+2 level. Also a Master’s degree in forensic science all science graduates are eligible. Few universities conduct their own entrance test for entry to postgraduate courses. Others offer admission on the basis of marks obtained in graduation.

Those with a degree in medicine (MBBS) may also find certain specializations in Forensic Science.

Institutes offering courses in Forensic Science and allied subjects

Considering the importance of curbing crimes and bringing criminals to book, Government of India has established Loknayak Jayprakash Narayan National (LJNN) Institute of Criminalology and Forensic Science at New Delhi. The institute in affiliation with Guru Gobind Singh Indraprastha University runs postgraduate courses as MA in Criminalology and MA in Forensic Science. For the first course graduates from all disciplines are eligible. The other course is open to science graduates only. The Institute has come out with another scheme of conducting a Forensic Science Aptitude and Calibre Test. Persons having Postgraduate qualification in specified disciplines of science are considered eligible to write the test. This is described to be a screening test on the pattern of UGC-NET/GATE etc.

Gujarat Forensic Science University (GFSU) at Ahmedabad, is another prominent institute in the area of forensic science and related subjects.

Some of its courses are:

- M. Sc. Forensic Science

Work opportunities

As a forensic scientist you have work opportunities both in government and private sector. Also the opportunities may depend on the area of your specialisation in forensic science. Broad areas of work include ascertaining authenticity of documents, crime investigations, terror attacks investigations, mass disaster management, cyber crime investigation, environment protection, consumer protection, protection of human rights.

Central and state Governments have established a number of forensic laboratories at different centres. Central Bureau of Investigation has its own forensic lab. Forensic scientists are required in all such labs.

Those having interest in academic life may choose to teach at graduate and postgraduate level. Forensic Science offers ample opportunities for research.

If you are inclined to join police forces, a qualification in forensic science may be of help in the long run. Other law enforcement agencies also require services of forensic scientists. A number of private detective agencies are operating in big and metro-politan cities. These agencies rely on the services of forensic scientists which can be on full or part time basis. Big hospitals, law firms may also have job opportunities.

You may also work on your own in one or more identified areas of forensic science. Handwriting analysis can be one such area.

The world is moving towards digital and large number of financial transactions are happening online and electronically. With this there is spurt in cyber crimes. Experts of cyber forensics are needed to solve these cases. So this is an emerging area of career opportunities. Other branches of forensic science see regular demand of professionals. Recently Indian Banks Association and Reserve Bank of India had advertised substantial number of vacancies for forensic auditors.

Suitability for career in forensic science

A career in forensic science is more suitable for people who can concentrate on a task for long, are adventurous and have a lot of patience. Also an outgoing nature, ability to work in a team, an eye for detail and strong analytical skills will be of much help. If you choose a career in forensic science you should try to develop these traits to do well.

Nations and society grow, flourish, exist and sustain in their youth population. Therefore, it is from ages that youth are considered as the major and vibrant human resource of the society and nation. They are also considered as change agents.

The Indian youth had always played a significant role in furtherance of the society. The youth of India had been in the forefront during multiple social transformations and also during independence struggle. In the contemporary times India is a country teeming in youth, with 70% of people below the age of 40 years. Major component of India's Gross National Income is being contributed by the youth. In view of large youth population there is a dire need to further develop this percentage. In fact, youth today, is a major component of the development of national prosperity. This area is also for social change and transformation towards a better tomorrow.

Being a vast populated and youth dominant country our youth are the most promising global context and impact in the years to come. Hence, the youth population has a right to receive a quality education, develop knowledge, values and core competencies which shall make them better human beings for serving the society.

The national youth policy 2014 has defined the age group for the youth as 15-29 years with a view to have a more focused approach as far as the various policy interventions are concerned. Nehru Yuva Kendra Sangathan, an autonomous organization under the Ministry of Youth Affairs & Sports is one of the largest grassroots level youth organizations in the world that is primarily working for the development of youth in India.

Nehru Yuva Kendra Sangathan
Nehru Yuva Kendra was established in the year 1972 with the objective of providing rural youth, avenues to take part in the process of nation building as also for providing opportunities for their personal development and involvement.

The organization has targeted to identify areas of harnessing youth power for development by forming youth clubs which are village level voluntary action groups of youth at the grassroots level to involve them in nation building activities.

The core strength of NYKS lies in its network of youth clubs. Youth Clubs are village based organizations working for community development and youth empowerment. The basic objective for creation of youth clubs is to render community support through developmental initiatives involving activities with particular focus on youth empowerment. The implementation of programmes and activities of youth clubs is based on local needs and requirements by mobilizing resources from various government departments and other agencies, which include education, health and family welfare, sanitation and cleanliness, environment conservation, awareness on social issues, women empowerment, skill development, self employment, entrepreneurship development, civic education and disaster relief and rehabilitation amongst others.

The objectives of NYKS are two fold:

- To involve the rural youth in nation building activities.
- To develop such skills and values in them with which they become responsible and productive citizens of a modern, secular and technological nation.

Administrative Setup
NYKS, an autonomous organisation under the Department, is a society registered under the Societies Registration Act, 1860. NYKS has a Board of Governors (BoG). The Board of Governors is chaired by the Minister in-charge of Youth Affairs and Sports, and with the Director General, NYKS acting as the Managing Director.

NYKS has a Board of Governors which is headed by the Minister in-charge of Youth Affairs and Sports. The Board of Governors is assisted by an Advisory Committee at the National level and a Committee at the State level.

The objectives of NYKS are to:

- To involve the rural youth in nation building activities.
- To develop such skills and values in them with which they become responsible and productive citizens of a modern, secular and technological nation.

NYKS has a Board of Governors which is headed by the Minister in-charge of Youth Affairs and Sports. The Board of Governors is assisted by an Advisory Committee at the National level and a Committee at the State level.

The activities of NYKS are carried out through a District Youth Coordinator in each District (who is in-charge of the Nehru Yuva Kendra in the District) and 2 National Youth Corps (NYC) volunteers in each Block. There are 623 district offices of NYKS. To administrate and monitor the functioning of district level NYKS, NYKS has 29 State Offices covering all States and UTs and its National Headquarter is at New Delhi. In addition to the above, there are Advisory Committees at District and State levels, comprising of official and non-official members, to advise NYKS in carrying out their activities in a desired manner. The Advisory Committee at the District is headed by the District Collector or the DM, the Advisory Committee at the State level is headed by the State Minister in-charge of Youth Affairs.

Swachh Hi Seva, a 15 day cleanliness campaign from 15 September to 2nd October 2018, launched by Prime Minister Shri Narendra Modi, got an overwhelming response from every section of the society. People from different walks of life response from sports world, academicians, schools, colleges, universities, farmers, workers, officers, government employees, police, army and others came forward to contribute to fulfill the dream of Mahatma Gandhi to have Swachh Bharat. Various Ministries and Government Departments undertook cleanliness drive, shramdan and other activities during the fortnight.

During the Swachh Hi Seva campaign, Union Minister of Information & Broadcasting Col. Rajyawardhan Singh Rathore offered shramdan at a village in Rajasthan

The Ministry of Tourism, Forest and Climate Change (MoEF&CC) organised a ‘Swachhta Hi Seva’ programme at the Ministry premises. Speaking on the occasion, Director General (Forests) and Special Secretary, MoEF&CC, Mr. Siddhant Das said that the role of children in Swachhta campaign is crucial. He added that the Ministry has initiated efforts to make all the Protected Areas (PAs) in the country plastic-free and clean. He emphasized the need to plant more and more trees and reduce single use plastic to enable the environment to cleanse itself. A pledge was administered to the school children.

A ‘Green March’ by the students was also flagged off on the occasion. About 200 students from Eco-Clubs of schools in Delhi, senior officials and officers of MoEF & CC were among those present in the gathering.

The Ministry of Tourism organized the ‘Swachhta Hi Seva’ campaign at various important tourist sites across the country from 15th September to 2nd October 2018 to commemorate the 150th birth anniversary of Mahatma Gandhi, the father of the Nation.

The Pakhwa commences with the administration of Swachhta pledge to all Railway personnel across its entire network including all Zones, Divisions, Production Units & Workshops and Railways PSUs. Thereafter, Railway Personnel watched the live telecast of Prime Minister Shri Narendra Modi’s interaction with the Swachagrahis. The Prime Minister also interacted with the Railway employees at Reasi workshop through video conferencing and appreciated the efforts made by Railway personnel towards cleanliness.

On this occasion, Union Minister of Railways & Coal, Shri Piyush Goyal launched Swachhata- Hi Sewa Pakhwada at Old Delhi Railway Station by administering the Swachhta pledge to the Railway officials, of government, pension of the occasion. He also participated in Shramdan at the venue.

Under the Swachhata Hi Seva campaign (15th September to 2nd October), the Union Minister of Drinking Water and Sanitation, Sushri Uma Bharti, addressed a gathering at Raiwala, Uttarakhand. The gathering comprised nearly 500 locals, including a large number of women. After the address, a swachhatashramndaan was organised at the Raiwala railway station.

India clean, poverty-free, corruption-free, terrorism-free, communalism-free and casteism-free in the days to come.

• Theme Based Awareness and Sensitization Campaign (for 06 Kashmir Valley Districts and 102 Aspirational Districts including 05 districts of Rajasthan): The programme aims at enhancing the capacities of the rural youth in addressing the issues and concerns affecting their lives. The focus areas to be covered during this campaign include health and nutrition, education, agriculture and water preservation and promotion of skill-based and implementation of flagship programmes of the government.

In addition to these programmes, Nehru Yuva Kendra Sangathan also organizes a national declaration contest on ‘Swachhta Hi Sewa’ at NJK Kendra Sangathan Building. This declaration contest aims at inculcating the spirit of nationalism and patriotic feeling amongst youth and masses for enhanced participation in nation building. It also focuses on identifying youth with leadership qualities and good communication skills for their further development and empowerment to take lead in popularising Flagship Schemes of Government

Programmes organised with funding from NPYAD (National Programme for Youths Adolescent Development)

Nehru Yuva Kendra Sangathan organises the following programmes in collaboration with National Programme for Youth and Adolescent Development:

• National Integration Camps (NIC): The objectives of the programme include promoting national integration by bringing together youth from different parts of the country on common platform, giving them opportunity to understand cultural heritage of the country and enabling them to recognize threads of unity in diversity which bind all Indians together.

• Youth Leadership and Personality Development Programme (YLDPD): The objective of the programme is to train the youth leaders and to equip them with necessary qualities to assume responsibility for the village and the youth clubs and to act as catalysts for socio-economic and political-cultural development of the villages.

• Life Skill Training for Adolescents: The objective of the programme is to develop among adolescents the behavior which will empower them to make healthy choices, and to strengthen their life skills to cope with risky situations that they will encounter in their lives.

• Adventure Camps: The programme aims at encouraging spirit of adventure and risk-taking, building capacity of the youth to tackle situations during natural calamities and other emergencies and inculcating spirit of appreciation of nature with emphasis on ecology and conservation of natural resources.

Programmes organised in collaboration with other Ministries/Organisations

Nehru Yuva Kendra Sangathan also organizes programmes with other Ministries and organizations for the holistic development of the youth. One of the most important program that is organized every year in collaboration with Ministry of Home Affairs (MHA) includes Tribal Youth Exchange Programme (TYEP).

The programme aims at providing an opportunity to the tribal youth of 30 selected districts of 07 states for exposure visit to 10 different places of the country. It is meant to help them understand cultural ethos, language, lifestyles of the people, to expose tribal youth to the technological and industrial advancement that have taken place in different states of the country. The focus is on various developmental activities, skill development, educational & employment opportunities. The aim is also to sensitize the tribal youth about their rich traditional & cultural heritage and enable them to preserve it for the future generation.

The aim is to help the tribal youth to develop emotional linkages with their peer groups in other parts of the country and enable them to seize the opportunities to the participants for interactions with Hon’ble President of India, PM & CMs, Governors & other VIPs, the local communities, Paramakal Raj Institutions and the youth affiliated with the NYKS Youth Clubs.

This helps youth in understanding development issues, see and guided for their involvement in the process of development, and to develop their personality by enhancing their understanding of Ten Core Life Skills.

The objective is let them identify their skill development oriented training needs and fulfillment of their legitimate career aspirations through Employable Skills, Scheme of Government of India and State Govt.

Programmes in coordination with Development Department

NYKS organizes various programmes in coordination with various development departments/agencies considering the local needs of the districts and boroughs. Some of the programmes that are organised include linking youth clubs with skill development trainings, facilitating rural population to get benefits under flagship programs of government, promotion of new water bodies, maintenance/repair and improvement of existing water bodies, water harvesting, sapling plantation, cleanliness drives, organizing blood donation camps, women empowerment activities amongst others.

The human resource of any nation, especially the youth population, considers itself as a national identity and takes it to the global map. Hence, the youth should actively participate in the activities of youth organizations like Nehru Yuva Kendra Sangathan to equip themselves with necessary knowledge and skills so as to lead a meaningful life for themselves and for the society at large.
