Statistics is the scientific method that allows us to draw conclusions from experimental data. It is a branch of mathematics that deals with the collection, analysis, interpretation, and presentation of masses of numerical data.

Statisticians use this knowledge to design, collect, and interpret data surrounding many different fields from economics, medicine, psychology, marketing, public health, biology, even sports, and other fields.

"Statistics is the science of learning from data. It is the scientific study of how to collect, analyze, interpret and present data objectively in the presence of uncertainty. Statistics is the scientific method that allows us to draw conclusions from experimental data sets. It is a branch of mathematics that deals with the collection, analysis, interpretation, and presentation of masses of numerical data.

Statistics plays a vital role in every field of human activity. Statistics has an important role in determining the existing position of per capita income, unemployment, population growth rate, housing, medical facilities etc. in a country. Different areas of statistics include crime statistics, census statistics, ecological statistics, medical statistics, statistics on education, film statistics, cricket statistics, oil statistics, market statistics, accident statistics, labour statistics, population statistics, election statistics, district-city-state statistics, tourism statistics etc. so application of statistics is very wide.

There is abundant data in every field or department. While collection of data is no small task, interpreting and presenting it requires special skills. Hence a statistician needs to undergo fundamental training in analytical aspects. Statistics is a branch of applied mathematics, but it's not just about numbers. A statistician's role is to give life to data.

Statistics is indispensable in this modern age aptly termed as "the age of planning". Statistical data and techniques of statistical analysis are immensely useful in solving economic problems such as wages, price, time series analysis, demand analysis. It is an irreplaceable tool of production.

Prime Minister Shri Narendra Modi received the crew of Strategic Strike Nuclear Submarine (SSBN) INS Arihant on Nov 5, 2018. The submarine recently returned from its first deterrence patrol, completing the establishment of the country’s survivable nuclear triad. Stressing the significance of the successful deployment of INS Arihant for the completion of India’s nuclear triad, the Prime Minister congratulated the crew and all involved in the achievement which puts India among a handful of countries having the capability to design, construct and operate SSBNs. Noting that the indigenous development of the SSBN and its operationalisation attest to the country’s technologi- cal prowess and the synergy and coordination among all concerned, the Prime Minister thanked them for their dedication and commitment in realising this pioneering accomplishment enhancing immensely the country’s security.

The 5th edition of the 10-day “Women of India National Organic Festival 2018” was organised at Dilli Haat, INA, New Delhi. A record of over Rs. 2.75 crore, up from Rs. 1.84 crore in last year’s edition, total sales by the women farmers and entrepreneurs who came from 26 States, were a record of over Rs. 2.75 crore, up from Rs. 1.84 crore in last year’s edition that was organised at Dilli Haat, INA, New Delhi.

The United States has exempted India from imposition of certain sanctions for the development of the strategically-located Chabahar Port in Iran, along with the construction of the railway line connecting it with Afghanistan. The decision by the Trump administration is being seen as a recognition by Washington of India’s major role in the development of the port on the Gulf of Oman, which is of immense strategic importance for the reconstruction of war-torn Afghanistan. A State Department spokesperson told PTI in Washington that after extensive consideration, the Secretary of State Mike Pompeo has provided for an exception from the sanctions cover Iran’s banking and energy sectors and reinstate penalties for loans to small traders and organizations. She expressed the hope that TEXPROCLIL will play an important role in giving suggestions in cotton textile environment, as regards the 6,000 crore rupees package announced by the Prime Min- ister of India’s technology program for the MSME sector. The Minister was speaking at the presentation of Export Awards 2017 – 18 of the Council, in Mumbai. Export of raw sugar from India to China will begin early next year. Raw sugar is the second product after non-basmati rice that China will import from India. It is a move to reduce the USD 60 billion trade deficit that China has with India. India is the largest producer of sugar in the world with 32 MMT production in 2018.

In Sri Lanka, new ministers were sworn even as the political uncertainty continues whether Mahinda Rajapaksa’s government commands a majority in Parliament or not. Two cabinet and five state min- isters were sworn in by Presi- dent Maithripala Sirisena. Ousted Prime Minister Ranil Wickremesinghe has main- tained that he has the majority in the house and has demanded calling an early session to prove it.

The Cabinet Committee on Economic Affairs chaired by the Prime Minister, Shri Narendra Modi has given ‘in principle’ approval for strategic disinvestment of 100% Government of India’s shares in DCIL to consortium of four ports namely, Vishakhapatnam Port Trust, Paradeep Port Trust, Jawahar Lal Nehru Port Trust and Kandla Port Trust. Presently the Government of India holds 73.44% shares in Dredging Corporation of India Limited.

India has been elected as a Member of the International Telecommunications Union (ITU) Council for another 4-year term (2019-2022). The elections to the Council were held during the ongoing ITU Plenipotentiary Conference 2018 at Dubai, UAE. By securing 165 votes, India ranked third among the 13 countries elected to the Council from the Asia-Australasia region, and eighth among the 48 countries elected to the Council globally. The ITU has 193 member states who elect representatives to the Council.

The Union Minister for Textiles, Smt. Smriti Zubin Irani has exhorted Cotton Textiles Export Promotion Council (TEXPROCIL) to reach out to the MSME players in the sector who constitute 35% of the Council’s membership, so that they know that banking institutions have been given a mere 59 minutes to give in-principle approval for loans to small traders and organizations. She expressed the hope that TEX- PROCLIL will play an important role in giving suggestions in cotton textile environ- ment, as regards the 6,000 crore rupees package announced by the Prime Min- ister of India’s technology program for the MSME sector. The Minister was speaking at the presentation of Export Awards 2017 – 18 of the Council, in Mumbai. Export of raw sugar from India to China will begin early next year. A contract for exporting 50,000 tonnes of raw sugar has been entered to by the Indian Sugar Mills Association (ISMA) and COFCO, a Government of China run public sector company. This is due to the initiative taken by the Ministry of Commerce and several rounds of meetings held by officials of both countries the import of raw sugar has materialized now. India plans to export 2 MT of raw sugar to China beginning from next year. Raw sugar is the second product after non-basmati rice that China will import from India. It is a move to reduce the USD 60 billion trade deficit that China has with India. India is the largest producer of sugar in the world with 32 MMT production in 2018.

A Memorandum of Understanding (MoU) was signed between the Ministry of Youth Affairs and Sports and the Ministry of Culture, Sports and Tourism of the Republic of Korea on sports cooperation in New Delhi on Nov 5, 2018. From Indian side the MoU was signed by the Minister of State(UC) Youth Affairs and Sports Col. Rajyavardhan Rathore and the Korean side was represented by their Minister of Culture, Sports and Tourism H.E DO JONGHWAN.
