Indian economy becoming a 3 trillion dollar economy this year with World’s 3rd largest economy in terms of Purchasing Power Parity, government’s intention to invest Rs. 100 lakh crore in infrastructure in next 5 years, enhanced target of over one lakh 5,000 crore of disinvestment in 2019-20, proposal to provide Rs.70,000 crore to PSBs to boost credit, doubling of food security budget in last 5 years, faster adoption of Electric vehicles with an outlay of Rs.10,000 crore, opening of 18 new Indian diplomatic missions in Africa, development of 17 iconic Tourism Sites into world class tourist destinations and issuance of new series of coins of 1,2,5,10 & 20 rupees are some of the key highlights of the Union Budget presented in Parliament by Union Minister of Finance and Corporate Affairs Smt. Nirmala Sitharaman on July 5, 2019.

In her maiden Budget speech, the Finance Minister said that Har Ghar Jal to all rural households by 2024 under Jal Jeevan Mission, “Housing for All” by 2022 under Pradhan Mantri Awas Yojana-(Gramin), upgrade of 1,25,000 kms of rural road under PMGSY-II in 5 years with an outlay of more than 80,000 crore with all weather connectivity provided to over 97% of such habitations, common facility centres under INDIAN (Bamboo, Honey and Khadi clusters, setting up of 80 Livelihood Business Incubators and 20 Technology Business incubators in 2019-20, develop 75,000 km of national highways, 25,000 km of suburban rail lines, 7,500 km of waterways, 5,000 km of world-class tourist road and 15 new airports. Smt. Sitharaman said that the first term of PM Modi-led-NDA Government stood out as a performing Government where Government whose signature was in the last mile delivery. Between 2014-19, government provided a rejuvenated Centre-State dynamic, cooperative federalism, GST Council, and a strident commitment to fiscal discipline. It set the ball rolling for a New India, planned and assisted by the NITI Aayog, a broad based think tank and has shown its deeds that the principle of “Reform, Perform, Transform” can succeed.

The Finance Minister said that mega programmes and services initiated and delivered during the last 5 years will now be further accelerated and sincere efforts will be made to further simplify procedures, incentivize performance, reduce red-tape and make the best use of technology to achieve the desired goals.

The Finance Minister elaborated that the Indian economy will grow to become a 3 trillion dollar economy in the current year and will reach the vision of Prime Minister to become 5 trillion dollar economy in the next five years. It is now the sixth largest in the world, while it was at 11th position in 2014. In Purchasing Power Parity terms, India is in fact, the 3rd largest economy already, only next to China and the USA. She said that to attain this and more the country needs to continue undertaking many structural reforms like the many big reforms in particular in the last 5 years in indirect taxation, bankruptcy and real estate. Even the common man’s life was being changed through MUDRA loans to help him do his business, and through several programmes it was being ensured that his/her kitchen had become smokeless, his/her house got electricity connection and women’s dignity was respected with the provision of toilets in homes.

Smt. Sitharaman said that gone are the days of policy paralysis and license-quotas-control regimes. India Inc. are India’s job-creators and they are the nation’s wealth-creators. She said, “Together, with mutual trust, we can gain, catalyze fast and attain sustained national growth. I wish to propose a number of initiatives as part of a framework for kick-starting the virtuous cycle of domestic and foreign push to all forms of physical connectivity through Pradhan Mantri Gram Sadak Yojana, industrial corridors, dedicated freight corridors, Bharatmala and Sagarmala projects, Jal Marg Vikas and UDAN Schemes. While the industrial corridors would improve infrastructure availability for greater industrial investment in the catchment regions, the dedicated freight corridors would mitigate the congestion of our railway network benefiting the common man. The ambitious programme of Bharatmala would help develop national road corridors and highways, while Sagarmala would enhance port connectivity, modernization and port-linked industrialization. If Sagarmala is aimed at improving the infrastructure for external trade, equally it is the poor man’s transport too. Waterways are proven as a cheap mode of transport. The Jal Marg Vikas project for capacity augmentation of navigation on National Waterways is aimed at smoothing internal trade carried through inland water transport. These initiatives will improve logistics tremendously, reducing the cost of transportation and increasing the competitiveness of domestically produced goods.

The Finance Minister said that as the world’s third largest domestic aviation market, the time is ripe for India to enter into aircraft financing and leasing activities from Indian shores. She said, for providing an enabling ecosystem for growth in India of Maintenance, Repair and Overhaul (MRO) industry, it is proposed to leverage India’s engineering advantage and potential to achieve self-reliance in this vital aviation segment. She added that the government will adopt suitable policy interventions to create a congenial atmosphere for the development of MRO in the country.

The Finance Minister informed that Phase-II of FAME Scheme 2019, following approval of the Cabinet with an outlay of Rs.10,000 crore for a period of 3 years, has commenced from 1st April, 2019. The main objective of the Scheme is to encourage faster adoption of Electric vehicles by way of offering upfront incentive on purchase of Electric vehicles and also by establishing the necessary charging infrastructure for electric vehicles.

Dwelling on the Railways, Smt. Sitharaman said that it is estimated that Railway Infrastructure would need an investment of Rs. 50 lakh crores between 2018-2030. Given that the capital expenditure of Indian Railways is around 1.5 to 1.6 lakh crores per annum, completing even all sanctioned projects would take decades. It is therefore proposed to use Public-Private Partnership to unleash faster development and completion of tracks, rolling stock, stations, Electric passenger freight services. She said that to connect infrastructure to the next level, government will build on the successful model in ensuring power connectivity - One Nation, One Grid - that has ensured power availability to states at affordable rates, and she proposes to make available a blueprint this year for developing gas grids, water grids, i-ways, and regional airports.

Referring to welfare measures, the Finance Minister said that the Government of India has decided to extend the vision to about three crore retail traders & small shopkeepers whose annual turnover is less than Rs.1.5 crore under a new Scheme namely Pradhan Mantri Lekhu Vyapari Mann-Dhan Yojana (PMLVMY). Enrolment into the Scheme will be kept simple requiring only Aadhaar and a bank account and rest will be on self-declaration.

The Union Minister for Finance, Corporate Affairs and Information and Broadcasting, Nirmala Sitharaman, has made her maiden Budget Speech on July 5, 2019. Key highlights of Union Budget 2019-20 are as follows:

10-point Vision for the decade
- Building Team India with Make in India, Government Maximum Governance.
- Achieving green Mother Earth with Green Skies through a pollution-free India.
- Nirmala Sitharaman made her payments.
- delays in government Subvention Scheme for declaration.
- annual turnover less than Rs. 5 crore.
- small shopkeepers with 3 trillion dollar economy in India.
- medical devices under Make in India.
- Blue Economy.
- Earth and Blue Skies through Pradhan Mantri Karam Yogi (Trust), Aakansha (Hope), Vishwas (Faith) in India.
- nourished women & children, via Ayushman Bharat, well-nourished women & children, small shopkeepers with 3 trillion dollar economy in India.
- clean rivers.
- a pollution-free India.
- Government Maximum Governance.
- Earth and Blue Skies through Pradhan Mantri Karam Yogi (Trust), Aakansha (Hope), Vishwas (Faith) in India.
- nourished women & children, via Ayushman Bharat, well-nourished women & children, small shopkeepers with 3 trillion dollar economy in India.
- clean rivers.
- special Future of India Trust, for future investors with 3 trillion dollar economy in India.
- nourished women & children, via Ayushman Bharat, Earth and Blue Skies through Pradhan Mantri Karam Yogi (Trust), Aakansha (Hope), Vishwas (Faith) in India.
- nourished women & children, via Ayushman Bharat, Earth and Blue Skies through Pradhan Mantri Karam Yogi (Trust), Aakansha (Hope), Vishwas (Faith) in India.
- nourished women & children, via Ayushman Bharat, well-nourished women & children, small shopkeepers with 3 trillion dollar economy in India.
- clean rivers.
- a pollution-free India.
- Government Maximum Governance.
- Blue Economy.
**Key Highlights**

**Continued from page 2**

**Indirect Tax Reforms**

- **Make in India**
  - Basic Customs Duty increased on cashew kernels, PVT Lines, coconut, marble slabs, optical fibre cable, CCTV camera etc.
  - Exemptions from Basic Custom Duty on certain electronic items now manufactured in India withdrawn.
  - Excise duty imposed on palm earring, fatty oils withdrawn.
  - Exemption to various kinds of papers withdrawn.
  - 5% Basic Customs Duty imposed on imported books.

**Other Direct Reforms**

- **Export duty rationalised on**
  - raw and semi-finished leather
  - Increased in Special Additions Duty and Road and Infrastructure Cess each by Rs. 1 per litre on petrol and diesel.
  - Custom duty on gold and other precious metals increased.

- **Legacy Dispute Resolution Scheme** for quick closure of pending litigations in Central excise and customs tax from pre-GST regime

**Grameen Bharat / Rural India**

- **Jal Jeevan Mission** to transform the lives of every rural family, dramatically improve water infrastructure and quality.
- **Electricity and clean cooking facility** to all willing rural families by 2022.
- **Grameen Vidyut Yojana** to connect all rural habitations advanced from 2022 to 2019 with 97% of habitations to be connected.
- **9.6 crore toilets constructed during 2019-20** with special focus on Bamboo, Honey and Khadi, enabling 50,000 artisans join the economic value chain.

**Defence**

- **Electronics and IT** for national security.

**Ease of Living**

- **About 30 lakh workers** joined various schemes.
- **25 lakh houses** completed.

**Young India**

- **National Education Policy** to be brought which includes MSMEs, start-ups, Industry 4.0, New National Education Policy to be brought which includes MSMEs, start-ups, Industry 4.0, etc.
- **Indian Institutes of Technology (IITs)** and 20 Regional Institutes of Technology (RITs) to be set up in rural areas.

**Soft Power**

- **A television program** to attract the youth.
- **Set of four labour codes** for the unorganized sector.
- **Over 81 lakh houses** with an area of about Rs. 4.83 lakh crores sanctioned of which construction started in about 47 lakh houses.
- **Over 123 lakh houses** completed of which nearly 24 lakh houses delivered to the poor, low-income groups.
- **Commitment** to eradicate Open Defecation from all habitations.
- **2000 smart villages** to be identified for the Jal Shakti Abhiyan.
- **30,000 kilometers of PMGSY roads** have been built using Green Technology, Waste Plant, Solar Power, Coal Technology, thereby reducing carbon footprint.
- **Jal Jeevan Mission** to achieve self-reliance in water supply.
- **National Health Mission** to achieve self-reliance in health care.
- **Swachh Bharat Mission** to achieve self-reliance in sanitation.
- **PM Kisan Samman Nidhi Yojana** to provide financial support to small and marginal farmers.
- **New Rout under PMMSY to be** applied to all rural India in 2019-20.
- **2020-25.** The Banks to have a Jan Dhan Bank Account.
- **One woman per SHG** to be ensured.
- **50,000 clusters to be setup** across the country.
- **97% of habitations** to be connected.
- **Rs. 400 crore** provided for startups.

**Banking and Financial Sector**

- **PIB** Over two crore rural Indians have access to banking services.
- **New National Education Policy** to be brought which includes MSMEs, start-ups, Industry 4.0, etc.
- **Saubhagya Yojana** have enabled 50,000 villages to be connected.
- **One woman per SHG** to be ensured.
- **National Sports Education Board** for development of sports persons.
- **National Sports Education Board** for development of sports persons.
- **Swachh Bharat Mission** to achieve self-reliance in sanitation.
- **PM Kisan Samman Nidhi Yojana** to provide financial support to small and marginal farmers.
- **New Rout under PMMSY to be** applied to all rural India in 2019-20.
- **2020-25.** The Banks to have a Jan Dhan Bank Account.
- **One woman per SHG** to be ensured.
- **National Sports Education Board** for development of sports persons.
- **National Sports Education Board** for development of sports persons.
- **Swachh Bharat Mission** to achieve self-reliance in sanitation.
- **PM Kisan Samman Nidhi Yojana** to provide financial support to small and marginal farmers.
- **New Rout under PMMSY to be** applied to all rural India in 2019-20.
- **2020-25.** The Banks to have a Jan Dhan Bank Account.
- **One woman per SHG** to be ensured.
- **National Sports Education Board** for development of sports persons.
- **National Sports Education Board** for development of sports persons.
- **Swachh Bharat Mission** to achieve self-reliance in sanitation.
- **PM Kisan Samman Nidhi Yojana** to provide financial support to small and marginal farmers.
- **New Rout under PMMSY to be** applied to all rural India in 2019-20.
- **2020-25.** The Banks to have a Jan Dhan Bank Account.
- **One woman per SHG** to be ensured.
- **National Sports Education Board** for development of sports persons.
- **National Sports Education Board** for development of sports persons.
- **Swachh Bharat Mission** to achieve self-reliance in sanitation.
- **PM Kisan Samman Nidhi Yojana** to provide financial support to small and marginal farmers.
- **New Rout under PMMSY to be** applied to all rural India in 2019-20.
UNION BUDGET
Continued from page 1

Recognizing that investment-driven growth requires access to low cost capital, the Finance Minister said, "India requires investments averaging Rs. 20 lakh crores every year (USD 300 billion a year) and therefore a number of measures are proposed to enhance the sources of capital for infrastructure financing.

- A Credit Guarantee Enhancement Corporation for which regulations have been notified by the RBI, will be set up in 2019-20. An urban plan to deepen the market for long term term deposits including for deepening markets for corporate bond repos, securitization etc., with specific focus on infrastructure sector, will be announced.

- It is proposed to permit investments made by FIIs/FPIs, subject to uncertainties issued by IDFC-NBCFs to be transferable/convertible to any domestic investor within the specified lock-in period.

On the subject of Foreign Direct Investment, the Finance Minister said that FDI inflows into India have remained robust despite global headwinds. FDI inflows in 2018-19 remained strong at USD 64.375 billion marking a 6% growth over the previous year. She added that the Government will examine suggestions of further easing of restrictions in aviation, media (animation, AVGC) and insurance sectors in consultation with all stakeholders and may suggest the following measures:

a. Foreign Direct Investment (FDI) will be permitted for insurance intermediaries.

b. Local share norms will be eased for FDI in Single Brand Retail sector.

c. FPIs will be permitted to hold a 100% Foreign Direct Investment in Insurance and Retail sectors in India.

On the subject of Rural India, the Finance Minister said that "FDI inflows into India have remained robust despite global headwinds. FDI inflows in 2018-19 remained strong at USD 64.375 billion marking a 6% growth over the previous year." She added that the Government will examine suggestions of further easing of restrictions in aviation, media (animation, AVGC) and insurance sectors in consultation with all stakeholders and may suggest the following measures:

a. Foreign Direct Investment (FDI) will be permitted for insurance intermediaries.

b. Local share norms will be eased for FDI in Single Brand Retail sector.

c. FPIs will be permitted to hold a 100% Foreign Direct Investment in Insurance and Retail sectors in India.

ADVERTISMENT FOR FILLING UP THE POST ON DEPUTATION BASIS

Applications are invited from eligible Officers working in Government/PSUs or Autonomous Bodies for filling up following Head of Department (HOD) level post on deputation basis.

Name of Post: Chief Manager (Finance)

Pay Scale: 1: 1300-7000-18000 (IDAF Pattern)

Number of Post: 1 (One)

Qualifications: 
- Bachelor’s degree in Business Administration or in Commerce or in Economics or in Finance.
- Two years’ experience in the field of Accounts.

Experience: 
- Two years’ experience as Manager in the field of Accounts.

Selection: By interview.

Duration: For an initial period of two years which is extendable for a maximum period of four years on mutual consent.

OTHER DETAILS

General Conditions:
- The selection will be based on interview.
- The selected Officer will be deputed for a period of two years which is extendable for a maximum period of four years on mutual consent.
- The candidates with experience in the field of Accounts will be given due weightage.

The candidates willing to apply for the above post are advised to visit the Commission’s ORA Website http://www.upsconline.nic.in. The detailed advertisement along-with “Instructions and Additional Information to Candidates for Recruitment by Selection” has been displayed on the Commission’s Website http://www.upsc.gov.in.

CANCELLATION NOTICE

(Reference F.No.1/236(24)/2016-R.III). It is notified for information of all concerned that the process of recruitment to One (01)(UR) post of Lecturer (Japanese) in School of Foreign Languages, Ministry of Defence, New Delhi by direct recruitment published in the ‘Employment News’ and the leading ‘Newspapers’ of the country on 10.12.2016 (Advertisement No. 22/2016, Item No. 05, Vacancy No. 16122205310), stands cancelled.

**CSIR Centre for Cellular and Molecular Biology (CCMB), Hyderabad** is a premier research institute and a unit of the Council of Scientific & Industrial Research (CSIR), engaged in multidisciplinary R&D programmes of both basic and applied nature, and training in relevant scientific disciplines of biological sciences for economic, environmental, and societal benefits.

**Applications are invited from enthusiastic, young and dynamic Indian researchers having excellent academic record and proven scientific achievements along with requisite knowledge and high degree of motivation and desire to take up research as a career in the field of cellular and molecular biology, to fill the following vacant positions of scientists as per the details given below.**

**Post Code:**

- **001**

**Name of post:**

Senior Scientist

**Age Limit:**

37 years

**No. of posts and reservation:**

01 (Unreserved)

**Pay Matrix:**

Level 12

**Total Emoluments:**

Approx. Rs. 1.15,232/-

**Essential Educational Qualification & Experience:** PhD in Life Science with 2 years of post-doctoral experience in the area of Membrane Biology.

**Desirable Experience:** Outstanding academic and proven research record in Membrane receptor interactions and lipid signalling.

**Post Code:**

- **002**

**Name of post:**

Senior Scientist

**Age Limit:**

37 years

**Desirable Experience:** Outstanding academic and proven research record of setting up an independent research group in Epigenetics regulation in development and disease mechanism of cellular memory and epigenetic reprogramming in plants.

**General information and conditions:**

1. **Benefits under Council service:**
   a. These posts carry usual allowances i.e. Dearness Allowance (DA), House Rent Allowance (HRA), Transport Allowance (TA) etc., as admissible to the central government employees and as made applicable to CSIR. Council employees are also eligible for accommodation of their entitled type as per CSIR Allotment rules, depending on availability in which case HRA/TAA will not be admissible.
   b. In addition to the emoluments indicated against each category of posts, benefits such as Applicability of New Pension Scheme 2004, reimbursement of Medical Expenses, Leave Travel Concession, Conveyance advance and House Building Advance are available as per rules.

**Please see notice for relaxation in column.**

**Total Emoluments:** approximate total emoluments on minimum scale including House Rent Allowance and Transport Allowance etc.
c. Relaxation in age, over and above the stated limit, educational qualification and/or experience may be considered in case of exceptionally meritorious candidates or if sufficient number of candidates possessing the requisite qualification and/or experience are not available to fill up the posts.

d. Relaxation of five years will also be permissible to those who are ordinarily domiciled in the Kashmir division of the state of Jammu and Kashmir during the period from 1-1-1990 to 31-12-1999 subject to production of relevant caste certificate from concerned authorities.

e. Age relaxation to widows, Divorced women and Women judicially separated from husband and who are not remarried will be granted as per Govt orders.

4. How to apply:

a. Candidates are required to apply ONLINE only through our website http://www.cbs.res.in by following hard copy of online application and data sheet generated duly signed along with copies of marksheets, certificates, reprint of applications and other testimonials etc.

b. Online application will be available on our website http://www.cbs.res.in upto 22-08-2019.

Pay scale:- Cadre Pay Scale for Officers at the Centre and Rs. 75,000-90,000/- in industrial DA pattern for Port Officers.

Number of Vacancy:- 2

The Port Trust is an autonomous body governed under the Major Ports Act, 1963. Appointment to the post is made by the Central Govt. under section 3 (1) (b) of the Major Ports Trust Act, 1963. Eligible Officers at the Centre and Port Offices may apply for the post. Preference may be given to those having experience of working in Port and Shipping sector. For Central Services and All India Services officers, 13 years’ regular service in group ‘A’ posts is required. Detailed eligibility criteria in respect of Officers at the Centre and Port Offices may be seen at the website of the Ministry. The appointment of the Officers at the Centre will be on deputation basis for a period of five years. The terms and conditions of appointment of the officer selected shall be as per the rules and regulations of the Central Government. The last date for receipt of application in this Ministry is 05.08.2019. The candidates are required to apply for the post through (online vacancy.shipmin.nic.in).

For more details please log on the website of Ministry of Shipping (www.shipmin.gov.in) or (online vacancy.shipmin.nic.in).

How to apply:
For further details/information regarding qualification, experience, general instructions, etc., kindly visit Institute website, viz., <www.iitd.ac.in> (Please see column Jobs@IITDelhi, under the heading non-academic positions).

Last date for submission of application through ONLINE MODE is 05.08.2019.

Applications are invited from eligible Indian Nationals to fill up following vacancies: Group ‘C’ (Eirsthalf Group ‘D’)

GENERAL INSTRUCTIONS

Note: Please read instructions carefully before filling up application form. Non-completion of any one or more instruction(s) will entail outright rejection of application.

1. Name of the Post: Cleaner (For Vehicles)

2. Age limit for (a) Ex-servicemen. Resultant age after deducting period of service from actual age should not exceed prescribed age limit by more than 3 years. Calculation of age shall be as per the category for which the application has been made.

3. The lower/upper age limits prescribed for the post i.e. cut off date will be 21 days from the date of publication of this advertisement i.e the last date of receipt of application by the appointing authority.

4. Candidates selected under Ex-servicemen quota will be adjusted against the respective category i.e SC/ST/OBC/UR.

5. All posts are temporary but likely to be permanent after a probation period of two years.

6. Candidates after selection will be subject to All India Service Liability Rule, Field Service Rules and Army Act 1950. (All India Liability – Candidate can be transferred to anywhere in India including field area transfer liability.)

7. Selection will be subject to the performance of the candidates under the test:-

(a) Test paper, Stds and Marking system. The Board of Officers, so far, shall test the candidates appearing for following tests and mark the candidates as under:

<table>
<thead>
<tr>
<th>Test</th>
<th>Stds and Marking system</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i)</td>
<td>Physical Endurance Test (aa) 1.6 Kms run - 6 mins</td>
</tr>
<tr>
<td></td>
<td>(ab) Bent Knee Situps - 20 Nos</td>
</tr>
<tr>
<td>(ii)</td>
<td>Written Test</td>
</tr>
<tr>
<td>(iii)</td>
<td>Practical Test</td>
</tr>
</tbody>
</table>

8. Physical test will be carried out as laid out above in sequence. Depending upon the number of candidates, the test may vary as per discretion of the board of officers on the day of the test. Candidates will be disqualified immediately on failing to qualify any event given above and will not (WILL NOT) be permitted to appear in next event subsequental tests. The candidates will be immediately escorted out of unit premises/test venue.

9. Written Test. The written test will comprise of four parts as per the details mentioned below and the question paper in each sheet of written test will be bilingual i.e in English and Hindi. However, the questions on the portion of English language will be in English only.

10. Selection will also be subject to the following conditions:-

(a) Verification of Education Qualification Certificates & experience certificate.

Administrative Officer
My dear countrymen Namaskar.

When I was speaking to the Indian people in the last episode of “Mann Ki Baat,” you might have felt the same, like I do, that we were undergoing a bout of emptiness. There was a kind of void. It used to be a chat in a room, but now it is being talked to and from the卢bersham, the “Purusharth” pertaining to your pursuit and goals is yours, the “Parakram”, the achievement is yours. I just used my words and my voice and that is the very bond that I used to miss.

Perhaps, this is the first time ever, that people are saying that they have been missing ‘Mann Ki Baat’. When I read it, I thought you are asking me… perhaps you are asking me from ’I to ‘We’. For me, this nonverbal conversation with you was a part of my feelings during my spiritual journey. Amidst the Election engagements, many people asked me a flurry of questions on why I had gone up to Kedarnath. You have every right to ask this. I used to ask myself, in a way, I undertook the journey to meet my inner self. I shall not reveal other things today, but I certainly want to tell you that it was a meaningful journey. I got an opportunity to fill up the vacuum caused due to the long pause that ‘Mann Ki Baat’ had to go through. The rest is your inquisitiveness… I think, somebody will talk about that. WHEN, I can’t say, but I’ll do it for sure. You have every right as far as I am concerned. The way people have expressed their wish to know about me, to express themselves… I lay emphasis on positive things, which I get to know through your expressions.

There is no dearth of inner fortitude, my friends. Just imagine… a person is suffering a great deal; a community, a region, you are suffering a great deal in the body, spirit, in a way fortifying the spirit of New India. Let us wish that you all embark upon its onward journey.

Over the last few months, many messages have poured in, with people stating that they have been missing ‘Mann Ki Baat’. When I read it, I thought you are asking me… perhaps you are asking me from ‘I to ‘We’. For me, this nonverbal conversation with you was a part of my feelings during my spiritual journey. Amidst the Election engagements, many people asked me a flurry of questions on why I had gone up to Kedarnath. You have every right to ask this. For more details, visit the official website or contact the FSSAI directly.

Namasark - PIB
Vivek Ojha

IT = IT means Indian Talent Information Technology = India Tomorrow’, ‘Desire + Stability = Resolution’, and we do not need ACTS but Action. This was the epitome of Indian notion of demographic dividend contaminants. Indeed, Prime Minister Narendra Modi when he came into the power. Innovation, skill development, entrepreneurship development, start up business, social business, formation of social and business network, IT, vocational training are the core issues of Modi’s government to fulfill youth aspirations. Taking into consideration the dreams of Indian youths, Budget 2019-2020 has proposed effective steps to garner the fruits of knowledge based society and knowledge based economy.

Union Finance Minister Nirmala Sitharaman praised India Inc, saying that the country’s job creators are the nation’s wealth creators while presenting the Union Budget for 2019-20. Finance minister also talked about the new National Education Policy. It has been proposed that National Research Foundation will assume the responsibility for education given by different ministries independent of each other and will boost innovation and entrepreneurship.

Massive Open Online Courses through SWAYAM has been successful and is bridging digital divide. Finance minister proposed the programme Study in India to bring in foreign students.

This budget outlined that the legislations for setting up of Higher Education Commission will be presented later this year. 10 million youth will take up industry-relevant skill training in domains like Artificial intelligence, Internet of Things, Big Data, virtual reality and Robotics. Finance minister gave youth aspirations of the country a cultural tone by mentioning the path showed by lord Basaveshwara for skill development in an egalitarian manner.

This year’s budget proposed a budget speech that to make Indian youths more competitive, skilled and innovation driven few more areas have to be identified like Artificial intelligence, Internet of Things, Big Data, virtual reality and Robotics. Finance minister gave youth aspirations of the country a cultural tone by mentioning the path showed by lord Basaveshwara for skill development in an egalitarian manner.

This year’s budget outlined the significance of initiatives pertaining to youths like IMPRINT, GIAN, HEFA, NAD etc. which have been taken to promote Quality Education in recent years.

The Government is committed to improve the quality of education and it is a continuous ongoing process. The vision of the Government of India is to make India’s human resource potential to its fullest in the education sector with equity and inclusion. The Government is committed to provide equitable access to quality education to all sections of the society. The Ministry of Human Resource Development took a leap forward in transforming education sector with the motto of “Seeking the Best & Shaping the Best”, “Achchhi Shiksha” (Quality education to all), ‘Education For All’ and ‘Quality Education inall programmes, restructuring of IIT system, 24X7 basis for educational initiatives like, SWAYAM - PRABHA - DTH channels on 24X7 basis for educational programmes, restructuring of BT fees to make more inclusive, Amendments in UGC Act to make more gender sensitive, SWAYAM - MOOCs etc. have been undertaken. On the other hand ‘Quality Education’ has been emphasized with the thrust on promoting research & innovation, and initiatives like Impacting Research Innovation and Technology (IMPRINT), Global Initiative of Academic Network (GIAN), National Digital Library, National Institutional Ranking Framework (NIRF), Higher Educational Financing Agency (HEFA), Digital ISB, National Academic Depository (NAD), Sema Darshan, Kala Utsav, Prashikshak Portal etc. Ministry of Skill Development and Entrepreneurship (MSDE) has launched Pradhan Mantri Kaushal Vikas Yojana (PMKVY). Several great projects have taken place so far under PMKVY 1.0, which was launched in 2015. For the last four years (2016-2020), the focus has been on ‘Craftsmen Training Scheme’ running in over 15,042 Industrial Training Institutes across the country. Government plans to train 10 million youth by the year 2020 under PMKVY 2.0. With an aim to provide skilled work force to the industry in 138 trades, under this scheme people get an opportunity to get a training with a duration of 6 months, 1 year and 2 year.

The Ministry of Skill Development and Entrepreneurship (MSDE) has been undertaken. On the other hand ‘Quality Education’ has been emphasized with the thrust on promoting research & innovation, and initiatives like Impacting Research Innovation and Technology (IMPRINT), Global Initiative of Academic Network (GIAN), National Digital Library, National Institutional Ranking Framework (NIRF), Higher Educational Financing Agency (HEFA), Digital ISB, National Academic Depository (NAD), Sema Darshan, Kala Utsav, Prashikshak Portal etc. Ministry of Skill Development and Entrepreneurship (MSDE) has launched Pradhan Mantri Kaushal Vikas Yojana (PMKVY). Several great projects have taken place so far under PMKVY 1.0, which was launched in 2015. For the last four years (2016-2020), the focus has been on ‘Craftsmen Training Scheme’ running in over 15,042 Industrial Training Institutes across the country. Government plans to train 10 million youth by the year 2020 under PMKVY 2.0. With an aim to provide skilled work force to the industry in 138 trades, under this scheme people get an opportunity to get a training with a duration of 6 months, 1 year and 2 year.

Responsibility of these projects is given to the Directorate General of Training (DGT), Ministry of Skill Development and Entrepreneurship (MSDE). According to Press Information DGIT, Ministry of Skill Development and Entrepreneurship (MSDE) are implementing initiatives to improve quality of skills for better employment opportunities.

According to the development of youth was central to his government’s policy. Prime Minister Narendra Modi had said that the government focused on four E’s- education, employment, entrepreneurship and excellence—to help youths of this country. Prime minister told the nation that in the last four year government had set up seven IITs, seven IIMs, one NIT, 14 IIFs, 12 KEUs in Hilly areas. The number of undergraduate medical seats increased from 5,000 in 2013-14 to 33,000 now. 2,400 Atal Tinkering Labs have been created to boost innovation.

India Aspirations and Challenges

India aspirations are not free from hurdles. Indian youths are facing problems of unemployment, lack of higher education facilities, lack of credit to start businesses etc. Silicon valley based e-learning firm Coursera’s Global skills index reveals that India lagging in two out of three future skills assessed—technology, business and data science. India was ranked 60th among the 60 countries in the technology domain. It is, worth mentioning here that two of the three world’s fastest-growing economies are in critical skills including 90 percent of developing economies -

India and Demographic dividend

India has one of the youngest populations in an ageing world. By 2020, the median age in India will be just 28, as compared to 51 in China, 51 in Western Europe, and 49 in Japan. Demographics can change the pace and pattern of India’s population will still be in the working age group by 2020. It can be pointed out that at a time when leading economies like Europe, US, South Korea, Japan are ageing, India holds the advantage of having an increased working population which is also known as functional population of 15 to 59 years of age group. Western Europe, the US, South Korea, Japan are ageing, this demographic potential offers India an unprecedented edge which could further contribute to the GDP growth rate. The core aim of the Indian government is to meet the developmental aspirations of its 1.3 billion people. Youth awakening call of Swarajya, empowerment to youth, GDP to be materialized by the government of India to make India safe, strong and India Tomorrow, ‘Desire + Stability = Resolution’, and we do not need ACTS but Action. This was the epitome of Indian notion of demographic dividend contaminants. Indeed, Prime Minister Narendra Modi when he came into the power. Innovation, skill development, entrepreneurship development, start up business, social business, formation of social and business network, IT, vocational training are the core issues of Modi’s government to fulfill youth aspirations. Taking into consideration the dreams of Indian youths, Budget 2019-2020 has proposed effective steps to garner the fruits of knowledge based society and knowledge based economy.
The Government has projected the real GDP growth for the year 2019-20 at 7 per cent, a bounce-back and a show of anticipated pickup in the growth of investment and acceleration in the growth of consumption. The United Nations Conference on Trade and Development (UNCTAD) and World Economic Outlook (WEO) of International Monetary Fund (IMF) has projected India's GDP to grow even higher at 7.5 per cent in 2019. This is despite the Report projecting a decline in growth of world output and that of advanced economies, and advanced economies in Emerging Market and Developing Economies (EMDEs) by 0.3 and 0.1 percentage points respectively.

India continues to remain the fastest growing major economy in the world in 2018-19, despite a slight moderation in growth momentum from 7.5 per cent of growth from 7.2 per cent in 2017-18 to 6.8 per cent in 2018-19. On the other hand, the world output growth rate was projected at 3.8 per cent in 2017 to 3.6 per cent in 2018. The slowdown in the world economy and Emerging Market and Developing Economies (EMDEs) in 2018 followed the escalation of US China trade tensions, higher credit policies in China, and financial tightening across the nominalization of monetary policy in the larger advanced economies.

India's growth of real GDP has been high with average growth of 7.5 per cent in the last 5 years (2014-15 onwards). The Indian economy grew at 6.8 per cent in 2018-19, thereby experiencing slight deceleration from 7.9 per cent in 2017-18 to 7.5 per cent in April 2018 when compared to the previous year. This moderation in growth momentum is mainly on account of lower growth in the agriculture & allied, Trade, hotel, transport, storage, communication and services related to broadcasting and 'Public administration & defence' sectors. Acreage in 2018-19 for the rabi crop was marginally lower than for 2017-18, which affected agricultural performance. The contraction in food price index may have contributed to lower inflation for pick-up to produce less. On the demand side, lower growth of GDP in 2018-19, though moderate, has caused a decline in growth of government final consumption, change in stocks and construction in value terms.

On the external front, current account deficit (CAD) increased from 1.9 per cent of GDP in 2017-18 to 2.6 per cent in April 2018 and December 2018. The widening of the CAD was largely on account of a higher trade deficit driven by rise in international crude oil prices (Indian basket). The trade deficit increased from US$ 162.1 billion in 2017-18 to US$ 184 billion in 2018-19. Merchandise imports reduced from 21.1 per cent to 20.4 per cent in 2018-19, while merchandise exports and imports in US dollar terms declined to 5.5 per cent and 6.7 per cent respectively in 2018-19, from 5.9 per cent and 6.4 per cent respectively in 2017-18.

The 'Financial, real estate and professional services' sector grew at 7.4 per cent in 2018-19, higher than 6.2 per cent in 2017-18. This happened due to the depreciation of rupee vis-a-vis US dollar in 2018-19. Gross Value Added reflected a decline in economic activity, registering a growth of 6.6 per cent in 2018-19, lower than 6.9 per cent in 2017-18. Growth of net indirect taxes was 9.1 per cent in 2018-19, lower than 9.9 per cent of 2017-18 on account of loss of momentum of economic activity. Service sector is the most dynamic sector in the economy and has remained the key driver of economic growth along with having a major contribution to GVA and export basket of the Indian Economy. Service exports have become one of the mainstay of India's total exports increasing manifold, from Rs. 0.746 lakh crore in 2001-02 to Rs. 1.389 lakh crore in 2018-19, raising its share from 2.8 per cent to 38.4 per cent. Share of India in world service exports has also increased from 2 per cent in 2005 to 3.5 per cent in 2017. This share is much higher manufacturing and construction activity, which have more or less offset the decline in the other two sub sectors. Mining & quarrying and Electricity, gas, water supply & other utility services' manufacturing accounted for 16.4 per cent in total GVA in 2018-19, marginally higher than that of Agriculture & allied sector.

The growth in manufacturing sector picked up in 2018-19, although the momentum slowed down towards the end as the momentum of the financial year with a growth of 3.1 per cent in fourth quarter of the year, as compared to 12.1 per cent, 6.9 per cent and 6.4 per cent in first, second and third quarters respectively. The manufacturing growth rate of Q4 in 2018-19 moderated considerably, on account of lower NBFC lending, which in part led to sales in the auto sector.

Construction sector growth is estimated using growth of production of cement and consumption of finished steel. Production of cement and consumption of finished steel grew at 13.3 per cent and 7.5 per cent respectively in 2018-19, higher as compared to 6.2 per cent of total GVA in 2017-18 and this reflects in higher growth of construction sector in 2018-19.
