Scientific discoveries are often made out of the blue, as happened, literally, with the Nobel-winning Indian physicist C.V. Raman who postulated the scattering of light by water molecules to be at the root of the deep blue colour of the sea, during a sea voyage. The phenomenon has come to be known as the “Raman Effect”. Every year, the 28th of February is celebrated in India as National Science Day to commemorate the day the Raman Effect was discovered in 1928, for which Raman received the Nobel Prize in Physics in 1930. This was the first Nobel Prize for India in the field of Science.

The suggestion to designate the 28th of February as National Science Day was made to the Government in 1986 by the National Council for Science and Technology Communication (NCSTC) of Department of Science & Technology (DST), which was accepted and the government declared the day as National Science Day. NCSTC is the nodal agency to support catalyse and coordination of the National Science Day throughout the country, particularly in scientific institutions and research laboratories. The first National Science Day was observed on 28 February 1987. Over the years, the National Science Day has been celebrated every year on a specific theme. The theme for 2020 is “Women in Science”.

DST has also instituted annual National Awards since 1983 in different fields of Science, Technology and Innovation, where the Raman Award is one of the prestigious ones. DST has, in fact, been giving out the Raman Award in the field of Physics since 1983.

DST has also instituted annual National Awards since 1983 in different fields of Science, Technology and Innovation, where the Raman Award is one of the prestigious ones. DST has, in fact, been giving out the Raman Award in the field of Physics since 1983. It is the highest honour DST confers in the field of Physics.

The NEET paper will be a single paper of three-hour duration. It will have a total of 180 objective-type questions (in the MCQ format), which will include: 45 questions from Physics, 45 questions from Chemistry, and 90 questions from Biology (including both Botany and Zoology). The question paper will carry a total of 720 marks. Each correct answer will be awarded 4 marks and for each incorrect answer, 1 mark will be deducted from the total score of the student. There is no penalty for not attempting a question.

Many aspirants are confused whether the NEET exam will now have sections like: General Knowledge, English Language, and Logic & Reasoning which were a part of AIIMS and JIPMER exams. But the NTA Director ensures that since only a few months are left for exam preparations, no extra sections will be added to NEET 2020. Like always, NCERT will be the backbone of NEET preparation. The actual NEET 2020 syllabus will be the one notified by the NMC in the examination brochure. The NEET coaching experts say that the NTA may increase the difficulty level of the exam by a notch this year to make up for the loss of AIIMS and JIPMER exams.

Do note that NEET 2020 will only be conducted in the pen-and-paper mode or the offline mode. Last year, it was decided that NEET will solely conducted in the CBT (computer based test) mode or online mode in 2020. But due to concerns about the lack of online test practice centres (TPCs), the decision was reversed. The NEET coaching experts say that the NTA may increase the difficulty level of the exam by a notch this year to make up for the loss of AIIMS and JIPMER exams.

Continued from page 1

Although known as Raman Effect, the phenomenon was discovered jointly by Raman and his colleague physicist K.S. Krishnan. Together they started working on scattering of light by different liquids and gases. At first, Raman and Krishnan could not understand what was strange, as recorded in his diary they discovered something totally different phenomenon not known earlier. Using his spectroscope, we found to our great surprise that the modified phenomenon was published in the journal Nature on 31 March 1928. The announcement was made the following day, 29 February (being a leap year). The first Raman Prize in 1930, within two years of the discovery. Raman had realised that the scattering of light observed an alternative to X-ray diffraction as a means of identifying compounds. But not until the advent of more powerful, less expensive lasers in the 1970s and 1980s and advances in digital imaging in the 1990s, did scientists begin researching applications for Raman spectroscopy. Today, Raman spectroscopy is an inseparable part of scientific research, especially for the analysis of a wide range of materials and systems. Thus, as we have seen, the discovery of Raman Effect was the result of a combination of curiosity, astute observation and innovative thinking that led Raman to design his own experiment and hit upon an entirely new scientific phenomenon. In the same spirit, the observance of the National Science Day on 28 February is aimed at encouraging curiosity, out-of-the-box thinking and motivating people to take a rational and scientific approach to problem solving. Despite many significant achievements in science, certain sections of our society are still guided by blind faith and beliefs, which is often detrimental to healthy decision making on developmental issues and is also frequently detrimental to healthy development of the nation. This is the occasion to allow common people to take a rational and scientific approach to problem solving, which is the observance of the National Science Day on 28 February is aimed at encouraging curiosity, out-of-the-box thinking and motivating people to take a rational and scientific approach to problem solving. Despite many significant achievements in science, certain sections of our society are still guided by blind faith and beliefs, which is often detrimental to healthy decision making on developmental issues and is also frequently detrimental to healthy development of the nation.

The basic objective of the observance of National Science Day is to spread the message of the importance of science and its application among the people. The entire nation celebrates the National Science Day as a science festival by organising workshops, talks, shows of science movies, exhibitions, science-based projects, debates, quiz, science workshops, talks, showing of science movies, exhibitions, science demonstrations, live projects, debates, quiz competitions, seminars, etc.

Students of schools and colleges demonstrate various science projects. The major scientific institutions of the country observe "Open Day" on the occasion to allow common people to take a rational and scientific approach to problem solving. Despite many significant achievements in science, certain sections of our society are still guided by blind faith and beliefs, which is often detrimental to healthy decision making on developmental issues and is also frequently detrimental to healthy development of the nation. This is the occasion to allow common people to take a rational and scientific approach to problem solving, which is the observance of the National Science Day on 28 February is aimed at encouraging curiosity, out-of-the-box thinking and motivating people to take a rational and scientific approach to problem solving.
Haryana Rail Infrastructure Development Corporation Limited

(Joint Venture of Ministry of Railways & Government of Haryana)

INVITES
Application for the post of Dy. General Manager (Finance) on Contract Basis

Vacancy Notice No. OM-07/2020 dated 06.02.2020

No. of post: 11* (04-UR, 01-EWS, 03- OBC, 03-SC)

Mode of recruitment: Direct Recruitment basis.

*Out of these 11 vacancies, 03 posts are reserved for PWDs (02-HH, 01-OH).

Essential Qualifications and Experience:

(a) Bachelor’s degree in Engineering/Technology with 1st class in Electronics/ Electricals/Electronics & Communications/Telecommunications/ Computer Science/ Information Technology in Major in any University/Institution with 1st class or M. Sc. with 1st class in Physics/ Mathematics/ Statistics/ Computer Science/Electronics/ Applied Electronics/Information Technology with 2 years experience.

(b) Master degree in Tech./Engineering with 1st class in Electronics/ Electricals/ Electronics & Communications/Telecommunications/ Computer Science with one (1) year experience.

(c) Ph.D. in Science/ Engineering in any of the above mentioned disciplines/inter-disciplines alongwith qualification mentioned at (a) or (b) above or having any of the above qualification mentioned at (a) or (b) above followed by MBA/ Degree in Law.

Host Country/Apply:

Candidates meeting above the eligibility requirements may fill up the application online available at website www.stpi.in. Applicants are required to take the printout of the filled in Application Form and sign it and send the same alongwith duly attested copies of certificates (uploaded on the website) relating to qualification(s), date of birth, experience certificate(s), caste certificate etc. by the last date of receipt of application to the Software Technology Parks of India, Plate-B, 1st Floor, Office Block-I, East Kidwai Nagar, New Delhi-110023. Name of the post applied for should invariably be written on the top of the envelope containing application form.

Persons working in Central/ State Government/PSUs/Autonomous organizations may send their applications through proper channel. It is also requested that advance action may be taken to keep the ACRs/APRs for last 5 years, of those candidates ready alongwith their latest vigilance profile (i) penalty imposed, if any during the last 10 years (ii) details disciplinary action initiated/ being initiated if any etc. to be furnished as and when the selection meeting is scheduled. However, a copy of the application may be sent in advance for consideration.

Application Fee: Candidate has to pay an application fee of Rs. 500/- (Rupees five hundred only) per application by Demand Draft/Indian Postal Order (IP O) in favour of ‘Software Technology Parks of India’, payable at New Delhi.

OR

Through NEFT/RTGS to the following Bank Account of this office directly:

Bank Name: Canara Bank, Delhi Parliament Street Branch, New Delhi 110001

Name of the Beneficiary: Software Technology Parks of India, New Delhi

IFSC Code: CNRB0001098

OR

Digital Payment through UPI (Unified Payments Interface) and BHIM (BHIM Interface for Money). UPI ID -stpi@upi and QR code for UPI payments to Software Technology Parks of India is available at www.stpi.in

Candidates are advised to mention the Unique Transaction Reference (URT) number alongwith the UPI ID in the online application whenever sought. No fee is required to be paid by female candidates and candidates belonging to SC/ST/PH category. Fee waiver is available for female candidates and candidates belonging to SC/ST/PH category. Fee can be paid by female candidates and candidates belonging to SC/ST/PH category. Fee waiver is available for female candidates and candidates belonging to SC/ST/PH category, as and when the registration meeting is scheduled. However, a copy of the application may be sent in advance for consideration.

Application Fee:

Candidates are advised to mention the Unique Transaction Reference (URT) number alongwith the UPI ID in the online application whenever sought. No fee is required to be paid by female candidates and candidates belonging to SC/ST/PH category. Fee waiver is available for female candidates and candidates belonging to SC/ST/PH category.

Selection process:

Selection for the said post shall be conducted by written examination followed by interview. Received application by the last date of receipt of application shall be screened and screened-in candidate shall be called for Written Examination & Personal Interview. The Candidate recommended by the Selection Committee shall offered appointment.

Last date of receipt of applications: Within 45 days of the publication of this advertisement in the Times of India/Dainik Jagran/Hindustan published on 15.02.2020. 10 days extra period shall be given in respect of applications received from the candidates residing in Assam, Meghalaya, Arunachal Pradesh, Mizoram, Manipur, Nagaland, Tripura, Sikkim, Ladakh Division of Jammu & Kashmir State, Lahaul and Spiti District and Pangi Sub Division of Dibang Valley District of Himachal Pradesh, Arunachal Pradesh and Nicobar Islands and Lakshadweep.

Closing Date of Receipt of Online Application : 15.03.2020

Closing Date of Receipt of duly signed-in Application : 30.03.2020

Closing Date of Receipt of duly signed-in Application : 09.04.2020

For more information on terms and conditions, the candidates may refer to STPI website www.stpi.in

Note: The candidate who applied for the post would not be allowed to withdraw their candidature subsequently.

Government of India

North Eastern Council Secretariat

Ministry of Development of North Eastern Region

Nongrim Hills, Shillong-793003

(R.K. B. Patel)

Deputy Secretary to the Govt. of India

davp 121011/110011/1920

EN 47/26
In 2019, it was announced that NEET will be conducted twice in a year - in February, and in May. But the decision was withdrawn because of students' and parents' objection. NEET 2020 will only be conducted once in a year.

One big change has happened in the eligibility of the NEET exam. The Supreme Court ruled that the upper age limit to appear in the NEET exam should be done away with. Now anyone above the age of 17 years on December 31, 2020 can appear in the NEET 2020 exam. It means that candidates above the age of 25 years can apply for the exam too.

Since NEET 2019, the poor students of General Category can apply under the 15% reservation quota for the EWS (Economically Weaker Sections) students. One can check if one is eligible for a seat under the EWS quota or not.

NEET 2020 in 11 Languages

The candidates will have to choose their medium while filling up the application form. The language once chosen cannot be changed later. Please note that question papers in English, Hindi, and Urdu languages will be available at all examination centres in India. But the regional language facility can only be availed from examination centres of the related state.

Candidates choosing English language will get the test booklet only in English. Candidates opting for any of the regional languages will be provided a bilingual test booklet. In case of any ambiguity in the question, the English version of the question will be deemed final.

**Important Topics for NEET 2020**

NEET coaching experts analyze the previous years’ papers and predict the most important topics for the upcoming medical entrance exam. Here are the subject-wise important topics you should focus on first:

**Physics**
- Optics, including: Ray Optics and Optical Instruments, and Wave Optics.
- Electronic Devices (Semiconductor Electronics).
- Electrostatics, including: Electric Charges and Fields, and Electrostatic Potential and Capacitance.
- Thermodynamics.
- Current Electricity,
- Electromagnetic Induction & Alternating Current
- Dual Nature of Radiation and Matter

**Chemistry**
- Coordination Compounds
- Thermodynamics
- Equilibrium
- Chemical Bonding and Molecular Structure
- Solutions
- p-Block Elements
- Organic Chemistry: Basic Principles and Techniques from every d- and f-Block Elements.
- Alcohols, Phenols, and Ethers
- Aldehydes, Ketones, and Carboxylic Acids
- Physical Chemistry, including: Digestion and Absorption, Breathing and Exchange of Gases, Fluids and Circulation, Excretion, and Products their Elimination.
- Locomotion and Movement
- Neural Control and Coordination
- Chemical Coordination and Integration
- Genetics and Evolution, including: Principles of Inheritance and Variation, Molecular Basis of Inheritance, and Evolution.
- Diversity of Living Organisms, including: The Living World, Biological Classification, Plant Kingdom, and Animal Kingdom.
- Cell: Structure and Function, including: Cell - The Unit of Life, Biomolecules, and Cell Cycle and Cell Division.
- Biology and Human Welfare, including: Human Health and Diseases, and Strategies for Enhancement in Food Production, and Microbes in Human Welfare.

Please note that the topics listed here are in the order of their importance. So, you should pick up the first topic first, prepare it thoroughly, and then move to the next topic.

Do not assume that preparing these important topics is enough for clearing the NEET exam. More than 13 lakh medical aspirants are estimated to sit in the exam in 2020. You should prepare each and every topic in the NEET syllabus thoroughly.

When we say that these are the important topics of the exam, we mean only that these chapters carry the most weightage in the exam. Many questions are asked from these topics. Generally speaking, there are a few questions from every topic covered in the NEET syllabus. Hence, you should prepare a study schedule where you master these topics and also cover the rest of the syllabus mentioned in the brochure.

NEET aspirants are advised to solve as many previous years' NEET papers as they can. It can give them an idea of what kind of questions are asked in the exam. It will also help them judge the topics they know well and topics in which they need help or practice.

**NEET 2020 Dress Code**

Normally, the dress code for the NEET exam is quite strict. But the rules have been relaxed somewhat - keeping in mind the religious sensitivity and medical conditions of students. Besides the religious symbols, candidates may also obtain permission for gadgets needed for reasons beyond the admit cards are released on March 27, 2020.

To avoid any hassles at the last minute, students should check the NEET guidelines about what they should wear and not wear during the exam:
- Light clothes with half sleeves: Long sleeves are not allowed inside the test centres.
- Slippers and sandals with low heels: High heels and shoes are not to be worn inside the NEET examination centres.
- Male candidates should take special care not to wear clothes that can create hindrance in frisking or could be used to hide prohibited items. Shirt buttons should be of medium size. Large buttons and kurta-pajama should be avoided for the day.
- Female candidates must not wear big buttons, brooch, badge, or flowers. Saree cannot be worn to the NEET centre. So, it is advisable to wear a half-sleeve kurta, t-shirt, or shirt with salwar, trousers, or jeans. Instead, female candidates who are married may wear bangies but unmarried girls are not allowed to wear them.

All the candidates should take care not to wear any accessories, such as:
- watches,
- sun glasses,
- bracelets, bangles, rings,
- nose pins,
- necklaces, clips,
- rubber bands,
- cap etc.

One can only wear specs prescribed by the doctor.

**How to Carry:**
- Admit Card with passport size photograph pasted on it (same as the one uploaded on the application form).
- One passport size photograph (same as the one uploaded on the application form).
- One postcard size (4" by 6") color photograph with white background pasted on the Proforma downloaded with the NEET Admit Card.
- One of the following Photo IDs:
  - Aadhar Card,
  - PAN Card,
  - Driving License,
  - Voter ID,
  - Passport,
  - Ration Card,
- Class XII Roll No issued by the Board, or
- Any other valid photo ID issued by the government.
- PwD Certificate (if applicable), and
- Scribe (if applicable).

Ball point pens to mark the OMR sheets are provided by the examination centres.

**Do Not Carry:**
- Stationery items (like geometry or pencil box, printed or handwritten material, bits of paper, plastic pouch, pen, scale, writing pad, pen drives, eraser, log table, electronic pen or scanner, etc.),
- Communication devices (like mobile phones, pagers, health gadgets, thermometers),
- Wallets, handbags, or plastic pouches,
- Cameras,
- Metallic items,
- Eatable items (like water bottles or open or packed packets of edibles), or
- Any item you do not need for the exam.

**Diabetic students can carry:**
- Transparent water bottles, and
- Eatables (like sugar tablets or fruits).

But they cannot carry packed foods like chocolates, candies, or sandwiches inside the exam venue.

Examination centres will have highly sensitive metal detectors. No arrangements will be made to keep the belongings of candidates safe during the examination time. Candidates should also be mentally ready for exhaustive and compulsory frisking to prevent them from taking barred items inside the examination centre.

This year, the NTA is also using the artificial intelligence to prevent cheaters taking the seats of the rightful candidates or pulling off other kinds of fraud in the exam. The candidates' Class 10 and Class 12 certificates and roll numbers will be verified to make sure they are authentic and have not been tampered with.

**NATIONAL**

The Aam Aadmi Party (AAP) swept Delhi Assembly elections bagging 62 of 70 seats, retaining power in Delhi for the third time. BJP bagged 8 seats. The contest was mainly between AAP and the BJP with Congress nowhere in the reckoning. Among the prominent AAP leaders who won the elections include Delhi Chief Minister Arvind Kejriwal from New Delhi, Deputy Chief Minister Manish Sisodia from Patparganj, Gopal Rai from Babarpur, Satyendar Jain from Shalak Bagh, Raghav Chadha from Rajinder Nagar, Rakhi Birla from Mangolpuri, and Ajay Dutt from Ambedkar Nagar.

President Ram Nath Kovind Prime Minister Narendra Modi led the nation in paying homage to the martyrs of Pulwama attack on 14 February 2020. It was on this day last year that a CRPF convoy was attacked by a suicide bomber in Pulwama in which 40 CRPF personnel were martyred. In Jammu, a memorial to the 40 CRPF personnel was inaugurated at Lethpora camp. The names of all the 40 personnel along with their pictures are part of the memorial along with the motto of CRPF ‘Seva and Nishthta’ (Service and Loyalty).

Government has decided to rename Pravasi Bhartiya Kendra in New Delhi as Sushma Swaraj Bhawan and Foreign Service Institute in the national capital as Sushma Swaraj Institute of Foreign Service. The announcement was made in the honour of the legacy and invaluable contribution of former External Affairs Mrs. Swaraj to Indian diplomacy, the cause of the Indian diaspora and the ethos of public service. During her four decade long career, Sushma Swaraj was elected to the Lok Sabha four times and thrice to Rajya Sabha. She served as Minister for External Affairs, Information and Broadcasting, Parliament Affairs, Health and Family Welfare. She also served as Leader of Opposition in the Lower House. Ms Swaraj also served as Chief Minister of Delhi and also a Minister in the Haryana Government.

The government has said that over 16 lakh candidates trained under Pradhan Mantri Kaushal Vikas Yojana have got placement. Minister of State for Skill Development and Entrepreneurship R K Singh, in a written reply in the Rajya Sabha said, over 73 lakh candidates have been trained under the scheme till January this year. Among the scheme, the focus on employment has been significantly enhanced and candidates have been placed in various sectors and industries.

Uttar Pradesh Chief Minister Yogi Adityanath has announced an internship scheme this year itself. He said, over 73 lakh candidates have been part of the internship scheme along with their pictures are part of the memorial along with the motto of CRPF ‘Seva and Nishthta’ (Service and Loyalty).

Uttar Pradesh Chief Minister Yogi Adityanath has announced an internship scheme for the 10th, 12th and graduating students of the state to brighten employment prospects of these students. Addressing a job fair organised by the Department of Labour and Employment Exchange in Gorakhpur, the Chief Minister said that the state government will bring the internship scheme this year itself. He said, under the scheme, students will be linked to various technical institutes and industries. He said that during the internship of a period of six months or a year, each participating youth will be given 2500 rupees as honorarium every month. Out of this, 1500 rupees will be given by the Central Government and 1000 rupees by the State Government.

In Kashmir Valley, the administration has sanctioned 125 community bunkers with an aim to build shelters and safeguard human lives from the arbitrary shelling by Pakistan. The bunkers have been sanctioned for Kupwara and Baramulla district of North Kashmir considering their proximity to the Line of Control (LoC). As personal commissioner Kashmir, Basseer Ahmad Khan, the bunkers will be at the cost of 25 crore Rupees. Previously, same number of community bunkers was also sanctioned for district Bandipora.

**ECONOMY**

Lok Sabha and Rajya Sabha were adjourned till 2nd March after completion of the general discussion on Union Budget 2020-21 in the first part of the Budget session that concluded on 11 February. Finance Minister Nirmala Sitharaman replied to the discussion on Union Budget in both the houses while asserting that the government has maintained fiscal discipline under its regime. Ms. Sitharaman said, the nominal GDP of the country has increased from two trillion dollars in 2014-15 to 2.9 trillion dollars by 2019-20. She said the GST collection has been consistently improving and one lakh crore mark has been surpassed in the last six months of current fiscal. She also said, there is a positive confidence in the Indian economy and the government has taken several measures to strengthen it. The Minister said, the global sentiment towards India is favourable and that can be gauged by investment flow. Referring to opposition allegation that defence budget has been reduced, she accused the previous UPA regime of parlaying the defence sector. She also clarified that no resources have been cut down to any ministry.

**INTERNATIONAL**

The World Health Organization (WHO) has officially named the disease caused by the new coronavirus as Covid-2019. It comes after the death toll from the virus passed one thousand. Tens of thousands of people have been infected. The word coronavirus refers to the group of viruses it belongs to, rather than the latest strain. Researchers had been calling for an official name to avoid confusion and stigmatization of any group or country.

UN Security Council has adopted a resolution calling for a “lasting ceasefire” in war-torn Libya, where a fragile truce has been in place since January. The text, drafted by Britain, was approved by 14 votes out of 15, with Russia abstaining. The resolution affirmed the need for a lasting ceasefire in Libya at the earliest opportunity, without pre-conditions. It also expressed concern over the growing involvement of mercenaries in Libya. Libya, Africa’s most oil-rich nation, has been mired in chaos since the 2011 NATO-backed uprising that toppled and killed long-time leader Moammar Gadhafi. Since April 2019, the UN-recognized Government of National Accord has fought back against an offensive by military commander Khalifa Haftar, who is supported by Russia, Egypt and the United Arab Emirates. A ceasefire was agreed on January 12, but there are still near-daily clashes near Tripoli and arms continue to flow into the country.

Infosys co-founder Narayana Murthy’s son-in-law, Rishi Sunak has been appointed as UK’s Finance Minister. He replaced Pakistani-origin Chancellor Sajid Javid. After the reshuffle, three Indian origin Members of Parliament are now part of Britain’s most diverse cabinet led by Prime Minister Boris Johnson. 47-year-old Priti Patel is the Home Minister and 51-year-old Alok Sharma is the Business Secretary in the British Cabinet. Sharma was elevated to the role of the secretary of state for business, energy and industrial strategy. Along with these three, 15 Indian-origin MPs are among 65 non-whites elected to the new 650-member House of Commons, reflecting 10 percent of its strength.

**SPORTS**

The Indian men’s hockey team captain Manpreet Singh has been named Player of the Year for 2019 by the International Hockey Federation. Manpreet, a midfielder, became the first Indian to win the accolade since the awards were introduced in 1999. He beat competition from Belgium’s Arthur van Doren and Lucas Villa of Argentina, who came second and third.

World silver-medallist Amit Panghal has been ranked number one in the 52 kilogram category for Olympic Qualifiers, making him the first Indian pugilist in over a decade to achieve the global top position in the category. The list was released by the International Olympic Committee’s Boxing Task Force ahead of next month’s Olympic Qualifiers. The rankings took into account the last two world championships for both men and women and the continental championships and Games in 2019. The diminutive boxer from Rohtak said, he is hopeful of securing an Olympic spot in the first qualifier itself. The 24-year-old Panghal holds the numero uno position with 420 points, right now. Last year, he became the first Indian to claim a silver medal at the world championships after narrowing up a gold at the Asian meet.
