Dr. Rajesh Kumar

Veterinarians are basically those doctors who diagnose and prescribe treatment for animals. Veterinarians care for the health of animals and work to improve public health. They diagnose, treat, and research medical conditions and diseases of pets, livestock, and other animals.

Aim of veterinary education
The aim of veterinary education is to provide veterinarians with skills to reinforce association of humans and animal by making the later free from their suffering and disease. The job of veterinarian is extremely daunting, keeping in sight the fact that animals, are unable to express their suffering. He's the one who takes care of pet animals like dog, cat, birds etc. He is the person who helps to make sure production of safe and hygienic milk, meat, egg and other animal products. This makes the veterinary science a wide and interesting subject.

Role of veterinarian in Human safety
- Veterinarian play a vital role in diagnosis and treatment of different zoonotic diseases like Bird flu in poultry, swine flu, anthrax, Tuberculosis, brucellosis in cow/buffaloes, rabies in dog etc
- Veterinarian diagnoses the diseases which spread through meat, milk and egg
- Veterinarian also detects the synthetic or adulterated milk by checking it in lab.
- Veterinarian also helps in environmental hygiene by reducing the methane emission from livestock by providing good quality roughages and balanced diet.

Hon'ble Prime Minister Shri Narendra Modi has announced a Special economic and comprehensive package of Rs 20 lakh crore - equivalent to 10% of India's GDP on 12th May 2020. He gave a clarion call for Aatma Nirbhar Bharat Abhiyan, the Union Minister of Finance & Corporate Affairs Smt. Nirmala Sitharaman referred to the vision laid out by Prime Minister Shri Narendra Modi in his address to the Nation on 12th May 2020. Quoting the Prime Minister, Smt. Sitharaman said that as a Nation, we stand at a very crucial juncture. COVID-19 Pandemic has brought a message and an opportunity. We need now to build an Aatma Nirbhar Bharat.

Smt. Sitharaman said that in order to prove the resolve of Aatma Nirbhar Bharat, land, labour, liquidity and laws have all been emphasised in Aatma Nirbhar Bharat Package. The crisis and the challenge is an opportunity to build a self-reliant India.

The Finance Minister said this announcement is in continuation in the series of reforms. Soon after lockdown, we came up with Prime Minister Garib Kalyan Package (PMGKP), As part of the Rs 1.70 lakh crore PMGKP, the Government announced distribution of free food grains, cash payment to women and poor senior citizens and farmers etc. The swift implementation of the package is being continuously monitored. Around 41 crore poor people received financial assistance of Rs 52,608 crore under the PMGKP. The Finance Minister also said PMGKP used technology to do Direct Benefit Transfer (DBT) to people. We could do what we did because of the initiatives taken during the last few years, she added.

In addition, 84 lakh metric tonnes of food grains has been lifted by States and also more than 3.5 lakh metric tonnes of

The Centre has announced 1,000 crore rupees advance financial assistance to West Bengal for post-Amphan restoration work. The Prime Minister Narendra Modi said this at Bashirhat in North 24 Paraganas District of West Bengal soon after an administrative meeting to assess the extent of damages caused by the super cyclonic storm. The Prime Minister also announced two lakh rupees compensation to the families of the each victims killed in the storm-related incidents. He also informed that a central team will also arrive in the state to the earliest to assess the damages. Earlier, Prime Minister Narendra Modi and West Bengal Chief Minister Mamata Banerjee jointly made an aerial survey of the cyclone-hit South 24  Paraganas districts of West Bengal. In about 45 minutes long aerial survey both the leaders witnessed large scale devastation at Minakha, Namkhana, Hingalganj, Gosaba, Bashirhat and vast areas of Sundarbans caused by Amphan. Later at the administrative meeting at Bashirhat in North 24 Paraganas District the West Bengal Chief Minister Mamata Banerjee submitted a preliminary report to the Prime Minister on the extent of damages and demanded appropriate Central help for reconstruction work. The Prime Minister assured Ms Banerjee all kinds of Central helps to the state as demanded. The President Ramnath Kovind also expressed sorrow over huge loss of lives and properties in the state.

Announced that domestic civil Aviation operations will restart from 25 May, 2020 in a calibrated manner. The flight operations were suspended from March 25th of last year due to the imposition of lockdown. In New Delhi, Mr Puri said, the domestic flight operations will resume to a limited extent of required and approved scheduled services. The Movement, for the day between 90 to 120 minutes the minimum fare will be 3,500 rupees and maximum would be 10,000 rupees. He said, in case of Delhi- Mumbai flight, 3,500 rupees will be the minimum fare and maximum will be 10,000 rupees which will be operative till 11:59 PM on August 24. He said, there will be no physical check-in at airport and only web check-in will be allowed. He said a self declaration on the Aeroya Setu App status on a compatible device would be obtained that an passenger is free of COVID-19 symptoms. He said, passengers with red status on Aeroya Setu App will not be allowed to travel. Passengers will have to wear face mask and carry sanitizer bottles. Mr Puri said for flight operations, one-third capacity of approved summer schedule 2020 will be allowed to operate. Railway Minister Piyush Goyal said booking of train tickets will resume at around 1.7 lakh common service centres across the country from Friday the 22nd of this month. Mr Goyal said, people living in remote locations where the availability of computers and internet is negligible or absent can also access it. The Minister also said bookings will also resume at counters at specific railway stations over the next two to three days. Earlier, Railway announced railway operations of 200 trains from 1st June of which starting booked at 10 AM on 21st of this month. The railways which started the Sramik Specials trains from May 1st has run 2,050 such trains since then, ferrying around 30 lakh migrants, students and other stranded people. Mr. Goyal credited Prime Minister Narendra Modi for conceptualising the railways' isolation coaches for COVID patients. He informed, Railways so far has converted around 5,000 coaches into Covid-care centres which will be deployed at 225 stations. Over 2.37 lakh tickets, having over 5.51 lakh passengers, have been booked after the opening of bookings so far for the 101 special trains out of 200 trains for which booking started at 10 AM on 21st. The Central Board of Secondary Education has released date sheet for Class 12th board examinations for the remaining papers. It also released date sheet for the re-scheduled board examinations of Class 10th for North-East Delhi. The examinations will be conducted between 1st of July to 15th July this year. The students will appear for pending class 10 and 12 board examinations in their own schools instead of an external test centre, the ministry of human resource and development said. The CBSE has also issued instructions asking students to carry their own sanitizer bottles and wear mask and follow social distancing norms during the exam period. Mr Puri also informed that the ward is not sick. The Class 10th examinations were postponed due to violence in North Eastern part of National Capital and then due to lockdown and Class 12th examinations in view of the lockdown imposed in the country to combat COVID-19. The Class 10 exams will be staggered on four dates, starting 1st July. The first paper will be of Science and Social studies of 2 hours and 45 minutes and the second will be of Science exam. On 10th of July, exams will be conducted for both courses of Hindi and on 15th of July for both courses of English. For Class 12, the Home Science exam will be held on 1st of July, followed by both courses of Hindi the next day. The Class 12th Science exams are scheduled for 9th July, followed by Biotechnology on 10th and Geography on 11th of July. The Union Cabinet had given ex-post facto approval to the ‘Alma Nirbhar Bharat Package for allocation of foodgrains from Central Pool to approximately eight crore migrants. Five kg per person per month for two months that is May and June, 2020 will be given to migrants free of cost. It would entail an estimated food subsidy of about Rs. 2,982 crore. The Cabinet also decided to bear the expenditure towards intra-state transportation and handling charges and dealers’ margins of about Rs. 172.25 crore which will borne fully by Central government. Accordingly, the total subsidy from the Government of India is estimated at about of Rs. 3,109 crore. The allocation will ease the hardships faced by migrant and stranded migrants due to economic disruption caused by COVID-19.

India has fared better than other countries in containment of COVID-19. This is mainly because the country pursued a pre-emptive and pro-active approach for prevention, containment and management of COVID-19. Health Ministry said, country’s management efforts efficiently reviewed and monitored at the highest level. Aggressive and early measures so far have shown encouraging results. The cure rate has improved to 38.29 percent. India has about 7.1 cases per lakh population vis a vis approximately 60 cases per lakh population for the world as a whole.

Government has said that Biometric attendance will continue to be suspended during the fourth phase of the lockdown. Ministry of Personnel, Public Grievances and Pensions has issued guidelines on regulation of attendance in offices, workplaces and educational institutions. It will be mandatory to maintain social distancing norms and it will be mandatory for all officers to wear face masks. The Ministry has said that, it will be mandatory for all officers of the Level of Deputy Secretary and above shall attend office on all working days. The Ministry said, for regulating the attendance of officers, the Ministry of Personnel, Public Grievances and Pensions has issued guidelines on regulation of attendance in offices, workplaces and educational institutions. It will be mandatory to maintain social distancing norms and it will be mandatory for all officers to wear face masks.

The US Senate has approved a bill to delist Chinese companies from US stock exchanges. The senate on Wednesday unanimously approved the bill brought by Republican Senator John Kennedy and Democrat Senator, Chris Van Hollen. The bill requires companies to certify that they are not owned or controlled by a foreign government. They would be required to submit to an audit that can be reviewed by the Public Company Accounting Oversight Board, which has been objected to by China. The move may cause Chinese companies like Alibaba Group Holdings Ltd. and Baidu Inc. being barred from listing on US stock exchanges.

World Health Organization (WHO) has said it will initiate an independent review into its handling of the coronavirus pandemic at the earliest appropriate moment. Speaking at the World Health Assembly, WHO Director-General Tedros Adhanom Ghebreyesus said WHO is committed to transparency and will therefore facilitate an independent review of its response to the coronavirus outbreak. More than 100 countries including India backed a resolution drafted by the European Union calling for an independent inquiry into the pandemic, which has claimed more than 3 lakh lives globally so far. The resolution will come against the backdrop of mounting criticism against both the WHO and China over their alleged roles in allowing covid-19 to develop into a pandemic.

The Reserve Bank of India has cut the repo rate by 40 basis points from 4.4 per cent to 4 per cent, reducing the reverse repo rate at 3.35 per cent to maintain accommodative stance. The RBI Governor Shaktikanta Das while addressing the media said that the six-member Monetary Policy Committee voted 5:1 in favour of 40 basis points cut in interest rate. The RBI Governor said, private consumption has seen biggest blow due to COVID-19 outbreak, following investment demand has halted, big time impacting the government revenues severely due to slowdown in economic activity. The inflation outlook is highly uncertain with elevated level of inflation in pulses and other foodstuffs and therefore triggering a feedback effect. Speaking further about impact of COVID-19, he said, the GDP growth in 2020-21 goes in negative territory. The headline inflation may remain firm in first half of the year; ease in the second half, falling below 4 per cent in Q3/Q4 of financial year 2020-21. Granting relief to people the RBI extended moratorium on loan repayments by three months in view of COVID-19 pandemic starting from 1st of June to 31st of August, 2020. The RBI has announced to extend 15,000 crore rupee line of credit to EXIM Bank.

The United States has said that the post-coronavirus world provides a window of opportunity to liberal countries to diversify their supply chains. Alice G Wells, US State Department’s top official for Central and South Asia, said that in the post-pandemic environment, countries are looking at a little bit of de-globalisation, on-shoring of the critical production and there’s a very vigorous effort to diversify supply chains. She added that this is a real moment of opportunity for India to adopt more open and welcoming policies by reducing tariffs that allow manufacturing companies inside India to be part of the global supply chain. Wells said as India is the world's foremost producer of generic drugs and vaccines, and is going to be a play a critical role.
