CREATING DEMAND STIMULUS
FOR REBUILDING & REVIVAL

Ms. Sameera Saurabh

Union Budget 2021-22 has been one of the most important announcements made by the Government of India as it comes right amidst Covid-19 pandemic. Union Budget 2021-22 is also the first ever digital Budget and its significance lies in the fact that the political, economic and strategic relations in the post-Covid-19 world are changing constantly.

While the budget 2021-22 has focused on health and well-being as well as divestment, its thrust is on infrastructure and Reforms in Banking. The Budget has pushed reforms by decreasing the privatization of two banks, one insurance company and several other public sector undertakings.

The limit on fiscal deficit has also been broken with the Government abandoning the 3% fiscal target of the FRBn, opting for much higher fiscal deficit all the way to the year 2025. The new fiscal deficit target will also depend on the actual privatization of PSUs and other PSVs. Otherwise, the rise of higher inflation and interest rates will force this strategy can succeed mostly if additional fiscal deficit goes into capital expenditure, rather than revenue spending.

The Government has planned to raise funds for health care and infrastructure and has also raised the FDI limit in insurance sector to 74% from 49% in a bid to attract overseas funding. In order to encourage banks to increase lending, banks are in the pipeline to empower an Asset Reconstruction Company to take over bad debts.

The 5.5 lakh crore is being injected as physical stimulus to support demand and economic recovery thereby giving a big push to infrastructure which in turn will lead to multiplier effects in the economy.

To encourage investment in REITs and InvITs no TDS will be deducted on dividend payments and start-ups will get a year more to claim tax holidays and an additional year on capital gains tax exemption.

Asset monetization of non-strategic PSUs is proposed to create multiple opportunities and custom duty structure will be changed to make domestic manufacturing more attractive. In a significant move, the Government owned infrastructure bodies such as NHAI and the Power Grid Corporation India Ltd will pool resources from assets in stress and sell units to investors, raising money for future spending.

Spending on rural infrastructure development has increased by 34% to 40,000 crore and micro-irrigation corpus of Rs 10,000 crore which can boost farm incomes in the hinterland.

In order to encourage Affordable Housing for the middle class, housing projects can avail tax holidays for one year i.e. until 31st March 2022. Additional deduction of Rs 1.5 lakh shall therefore be available for loans taken up till 31st March 2022, for the projects of Affordable Housing.

The policy is expected to bring in an additional Rs 2.2 lakh crore to improve public health systems and fund the country's massive vaccination drive to immunize frontline workers and those in vulnerable age groups. India currently spends an annual 1% of GDP on health, amongst the lowest for any major economy.

Continued on page 2

PRO-ACTIVE BUDGET FOR
ATMANIRBHAR BHARAT

Jayanta Roy Chowdhury

In the wake of the global pandemic, the Central Government budget unveiled on Feb 1, 2021, boosted spending on healthcare by 137% and committed to spend Rs 5.5 lakh crores on infrastructure to help revive the economy which is believed to have shrunk by over 7.7% in the current year.

It also lifted caps on foreign investment in insurance and came up with plans for aggressive disinvestment and financial sector reforms while keeping income tax rates stable.

Delivering the Budget statement in Parliament, Finance Minister Nirmala Sitharaman projected a fiscal deficit of 9.5% for 2021-22. Most analysts felt extra spending was necessary to kick-start the pandemic-hit economy. “The government is fully prepared to support and facilitate the economy’s resumption,” Sitharaman said. “This budget provides every opportunity for our economy to rise and capture the space it needs for a sustainable growth.”

The current year was expected to end with a fiscal deficit of 9.8%, she said, far higher than the 5.5% budgeted last year. The higher deficit was partly on account of the unprecedented aid programme that the government had to undertake last year to take care of people and industry hit by the Covid pandemic. As well as lower tax revenues realised also on account of the pandemic.

However, the higher than usual fiscal deficit in the current year is also because the government has very boldly decided to bring large off-balance sheet expenditures back into official spending plans in order to set more realistic targets for revenues. Analysts felt this was a more credible way of presenting the Union Budget.

The most significant example is payments to the Food Corporation of India (FCI), which maintains and distributes foodgrains across the country to ensure food security. Often the FCI would borrow to make good shortfalls in subsidy payments by the Government. Analysts calculate these payments to be worth 1.8% of GDP in the current year.

In his remarks after the Union Budget was tabled in the Lok Sabha, Prime Minister Narendra Modi said that the Budget carries a vision of Atmanirbharata and inclusion of every citizen and sector. He said, “We have gone beyond active and have given a pro-active budget.”

The Prime Minister described the budget as aimed at creating “wealth and wellness” in the country. Officials estimate that the budget could spur the economy to grow by 11 per cent as a result of the investments to be made, which could make India the fastest growing major economy globally, ahead of China which is forecasted to grow by 8.4 per cent.

The Finance Minister proposed to increase healthcare spending to Rs 2.2 lakh crore to help improve public health systems and fund the country's massive vaccination drive to immunise frontline workers and those in vulnerable age groups. India currently spends an annual 1% of GDP on health, amongst the lowest for any major economy.

CREATING DEMAND STIMULUS FOR REBUILDING REVIVAL

Housing in other words, the Pradhan Mantri Awas Yojana (PMAY), Credit Linked Subsidy Scheme (CLSS) will be extended till 31st March, 2022. In order to enhance rental housing projects in India, tax exemption will be provided in notified Affordable Housing Projects. In order to ease access of finances to INVITs debt financing by foreign portfolio investors will be enabled by making suitable amendments in the relevant legislations. In order to allow the home buyers and real estate developers, it has been proposed to increase safe harbour limit from 10% to 20% for the specified primary sale of residential units.

In the backdrop of the pandemic, the budget seeks to achieve a balanced demand stimulus. Health infrastructure is in focus with the launch of PM Aarunirbh Bharat Swasth Bharat Yojana. Rs 35,000 crores has been earmarked for Covid-19 Vaccine in BE 2021-22. With the huge increase of 137%, health and well-being sector is one of the six pillars of the Budget.

The Government has earmarked resources for the creation of infrastructure and jobs in the Bharat Mala Prayogini, the National Rail Plan for India (2030) Metro Rail in Tier-I and Tier-III cities and operations management of major ports on a PPP basis. The budget has sought to create demand by a sharp increase in capital expenditure of 34.5%.

In a first, senior citizens of age 75 and above earning only pension and interest income will no longer have to file their IT returns.

Gross tax revenues are expected to rise by 16.7%, mainly due to a projected increase of 22% in direct taxes. The Government expects to collect about Rs 30,000 crores from the new levy of Agriculture infrastructure and Development Cess.

The 18th Finance Commission had recommended that 41% of the taxes collected by the Centre be shared with the States, compared to 42% now. Resources equivalent to 1% of the net proceeds of Union taxes should be retained with the Centre for financing requirements of Jammu & Kashmir and Ladakh.

The Government intends to achieve fiscal consolidation by increasing buoyancy of tax revenue through improved compliance and receipts from monetisation of assets.

The budget 2021-22 is being heralded as a big push towards infrastructure development, health care and job creation.

In addition, Fiscal Deficit for the current year has projected at 9.5% of the GDP and 6.8% for the FY 2022. While the stock market gained a thumbs up to the Government, the debt market sentiments took a big hit with the announcement of higher borrowing, since it is expected to widen the Fiscal Deficit further.

The thrust to promote local manufacturing under Aatmanirbhar Bharat will provide a big boost to the economy in the long run.

Clearly, the big positive for the economy will be the decision to set up a new Allied Reconstruction Company (ARC) and Asset Management Company (AMC) as part of a strategy to clean up bank balance sheets. The PSUs bank ReCapitalisation Scheme has been allocated Rs 20,000 crores for the FY 2021-22.

The announcement of a National Bank for Financing Development (NBFID) will help in the process of infrastructure financing in the country. Really, cement, housing finance companies and paint industry also may gain as the announcement is likely to increase demand.

In power sector, Rs 3.06 lakh crores package has been linked up to revive Power Distribution Companies (DISCOM) through the scheme of Revenue support and capital assistance ending monopoly in the sector. Consumers will be free to choose from the competing DISCOMs and related stocks can gain considerably. The textile sector has received commitment to establish 7 Mega Investment Textile Parks (MITRA) over 3 years offering plug and play facilities to companies.

The Government’s announcement regarding establishment of Bad Bank to manage lenders troubled assets along with constituting the National Bad Bank Law Tribunal (NBCL) framework will benefit banks as resolutions of troubled assets will be faster with weak assets consolidated in a single entity, rather than many banks negotiating resolutions terms.

Petrol and Diesel and 15 other commodities have also attracted cess to fund Agri infrastructure development.

The budget has announced a railways capital expenditure of 1.19 lakh crores for 2021-22. Highways sector including several Flagship new corridors contributing to development of industries associated with construction sector.

The budget for education has been slashed by 8% i.e. Rs 6,000 crores with school education taking the biggest cut of at least Rs 5,000 crores. This comes at a time when the Covid-19 induced disruptions has especially impacted the country to re-examine its school dropout rate. The reduction in the education budget is not unexpected given that the World Bank had predicted that in 2020, low to middle income countries may cut on education in order to meet essential spending on health and social protection.

The capital outlay for the Armed Forces has also increased by 19% to a total of Rs 4.76 lakh crores. The budget has also proposed to introduce a Voluntary Vehicle Scrapping Policy to encourage people to sell their old cars to demand for new vehicles and create new jobs.

The One Nation One Ration (ONCR) scheme will help migrant workers to claim rations from any part of the country.

A new portal will be launched to collect details of the workers to facilitate cumulative health, housing, skills and credit schemes.

The Union Budget is a sincere effort to stop the country’s economic recovery in the post-Covid world. The Budget is expected to put India on a high growth trajectory of 10% in the coming years. The outlook of the Government during Covid is being rewarded. GST collections are at record levels. Income Tax return filers increased to 6.48 crores in 2020 from 3.31 crore in 2014. FDI topped the world this year, foreign exchange reserves are at a record high, digital payment growth rates lead the world.

Continued from page 1

A PRO-ACTIVE BUDGET FOR ATMANIRBH BHARAT

The new budget also comes as the country’s financial sector faces increasing pressure from an expected record level of bad loans this year, which has already seen several small banks and financial companies folding up last year.

Consequently, the Finance Minister also addressed problems for financial sectors reforms which included consolidating laws, setting up a new stressed asset management company and for regulation of governance of small banks to the tune of Rs 20,000 crores.

To bridge some of the deficit, the government plans to raise Rs 1.75 lakh crores in the form of capital bonds from companies including Air India, Bharat Petroleum, Shipping Corporation of India, IDBI Bank, Bharat Earth Movers Ltd., besides capital from the Ministry of New and Renewable Energy, Life Insurance Corporation of India. This year’s attempts to raise Rs 2.1 lakh crores through disinvestment has run aground as the parliamentary panel has not agreed.

The government also decided to give productivity linked incentives worth Rs 1.97 lakh crore over 5 years to some 13 industries including textiles, automotive and electronics to draw fresh investments into the country.

The government will borrow Rs 12 lakh crore to meet the shortfall, less than the record borrowing this year. However, global rating agencies are unlikely to slash the country’s credit rating despite the higher borrowing program, given the speedily recovery seen in the Indian economy. Moody’s has already raised the country’s sovereign debt at “BAA3 or investment grade with a “negative” outlook.

The government also unveiled plans to raise customs duties on a number of products ranging from mobiles and steel and reduce duties on textiles raw materials and gold and silver to encourage domestic production in a host of industries.

Agricultural Infrastructure Cess

To boost infrastructure, the Finance Minister imposed an agricultural infrastructure cess on a host of commodities ranging from petrol to tobacco and gold and silver.

However, the new tax is not expected to raise the prices for purchases by consumers as central excise and customs duty will not be accommodating the new cess.

Nevertheless, the rearrangement of taxes means that states will receive less share of the central excise and custom duties which are divided between the Centre and the states according to a formula devised by the Finance Commission.

Central Government cesses are however the exclusive income of the Centre and are not shared with any state. The excise duties on silver are likely to generate Rs 30,000 crore will be earned by the Government from the new cess and this money will be spent on agricultural infrastructure development.

To accommodate the new Agriculture Infrastructure and Development Cess (AIDC) of Rs 2.5 a litre on petrol, the Government has cut the local excise duty on petrol from Rs 2.96 to Rs 1.41. This accommodates a similar AIDC of Rs 4 on diesel, the basic excise has been cut was cut from Rs 4.83 to Rs 1.8 a litre.

The imposition of duties has been made for alcoholic beverages whose basic customs duty has been reduced to 60% from 150%. Bullion has also seen an adjustment with a 2.5% cess, crude palm oil (17%), apples (35%), coal, lignite and peat (1.5%), fertilizers (5%) and cotton (5%)

Tax on interest on high PF contributions

This year’s budget has proposed that the interest income earned on an employer’s provident fund contribution above Rs 2.5 lakh in a year will become taxable in the hands of the employee. Provident funds currently enjoy an EEE status or are Exempt from taxes when saved. Exempt from taxes accruing on interest and remain Exempt when withdrawn.

“in order to rationalise tax exemption for higher provident fund contributions of employees, it is proposed to restrict tax exemption for the interest income earned on the employees’ contribution to various provident funds to the annual contribution of Rs 2.5 lakh. This restriction shall be applicable only for the contribution made on or after April 2021,” the budget said. The law as it stands now allows an employee whose basic salary is deducted as provident fund, while the employer also compensates another 12 per cent. Analytics shows that people who earn more than Rs 20.83 lakh a year will be impacted by this move.

FAQs
ON COVID-19 VACCINE

Q. Will the vaccine be safe as it is being introduced in a short span of time?
A. Vaccines will be introduced in the country only after the regulatory bodies clear it based on its safety and efficacy.

Q. Is it mandatory to take the vaccine?
A. Vaccination for COVID-19 is voluntary.
However, it is advisable to receive the complete schedule of COVID-19 vaccine for protecting oneself & limiting the spread of the disease.

Q. Is it necessary for a COVID recovered person to take the vaccine?
A. It is advisable to receive a complete schedule of the vaccine irrespective of the past history of infection as it will help in developing a strong immune response.

Q. Can a person having COVID-19 (confirmed/suspected) infection be vaccinated?
A. Infected individuals should defer vaccination for 14 days after symptoms resolution as they may increase the risk of spreading the virus to others at the vaccination site.

Q. Does India have the capacity to store COVID vaccine at +2 to +8°C & transport them at required temperature?
A. India runs one of the largest immunization programmes in the world, catering to the vaccination needs of over 26 million newborns & 29 million pregnant women.
The programme mechanisms are being strengthened to effectively cater to the country’s large & diverse population.

---

FAQs
ON COVID-19 VACCINE

Q. Will COVID-19 vaccine be given to everyone simultaneously?
A. Government has identified high-risk groups to be vaccinated on priority:
  - The first group includes healthcare & frontline workers
  - The second group will be persons over 50 years & persons with comorbid conditions
  - Subsequently, the vaccine will be made available to all others in need.

2. **TERMS AND CONDITIONS IN RESPECT OF ESSENTIAL QUALIFICATION(S) [As mentioned under relevant column in Table-2]**

2.1. Minimum essential educational qualifications for each post shall be as indicated in Table-2 above against each post.

2.2. Only full time Regular courses will be considered.

2.3. All qualifications must be from UGC recognized Indian University / UGC recognized Indian Open University or AICTE approved courses from Autonomous Indian Institutions / concerned statutory council (wherever applicable).

2.4. Wherever CGPA/OGPA/CPI or letter grade in a Degree is awarded, equivalent percentage of marks should be indicated in the application as per norms adopted by Universities/Institutes. Candidate is required to obtain a certificate to effect this from the University/Institute which shall be required at the time of Group Discussion interview.

2.5. Engineering Degree can be B.E. / B.Tech. / B.Sc. Engg.

2.6. Candidates having minimum 65% B.E. / B.Tech. / M.E. / M.Tech. integrated dual degree in Engineering in relevant discipline shall also be considered.

2.7. Candidates having minimum 65% B.E. / B.Tech. + M.E. / M.Tech. integral dual degree in Engineering in the year 2020 / candidates who are currently in the final year (2020-21) of their Engineering Degree course (including 65% B.E. / B.Tech. + M.E. / M.Tech. integral dual degree in Engineering course) only are eligible to apply for the post of Executive Trainee in E-2 grade in relevant discipline/branch in the disciplines of Chemical and Instrumentation.

2.8. Candidates who have completed their Bachelor Degree in Engineering (including 05% B.E. / B.Tech. + M.E. / M.Tech. integral dual degree in Engineering) in the year 2020 and belonging to General/EWS/OBC (NCL) category must have secured minimum 65% marks and candidates belonging to SC/ST/PwBD category must have secured minimum 60% marks.

2.9. Candidates who are currently in the final year (2020-21) of their Bachelor Degree in Engineering discipline (including 05% B.E. / B.Tech. + M.E. / M.Tech. integral dual degree in Engineering) and belonging to General/EWS/OBC (NCL) category must have secured minimum 65% marks in aggregate up to the last semester / year examination at the time of application and candidates belonging to SC/ST/PwBD category must have secured minimum 60% marks in aggregate up to the last semester / year examination at the time of application.

2.10. Selection of candidates who are currently in the final year (2020-21) of their Engineering Degree course (including 05% B.E. / B.Tech. + M.E. / M.Tech. integral dual degree in Engineering course) will be further subject to obtaining minimum 65% marks in case of General/EWS/OBC (NCL) category and minimum 60% marks in case of SC/ST/PwBD category in their Engineering Degree course and submission of Engineering Degree certificate (at least provisional certificate) and mark sheets of all semesters / years towards documentary proof of having passed the qualifying Engineering Degree examination in relevant discipline/branch with minimum prescribed percentage of marks as indicated above by 31st August, 2021.

2.11. Candidates who have completed their Bachelor degree in Engineering/Technology in relevant discipline/branch in the year 2019 or earlier are not eligible to apply for the post of Executive Trainees in E-2 grade in the disciplines of Chemical and Instrumentation.

3. **RELAXATION IN MINIMUM PERCENTAGE OF MARKS IN EDUCATIONAL QUALIFICATION(S)**

Relaxation in minimum percentage of marks in essential qualification(s) will be provided in respect of SC, ST and PwBD category candidates as per following:

Wherever minimum percentage of marks have been specified as 65%, relaxed minimum percentage of marks in educational qualification(s) in respect of SC, ST and PwBD category candidates is 60%.

SC/ST/PwBD category candidates applying against unreserved posts shall be considered under general standard of merit and no relaxation in minimum qualifying percentage of marks in education qualification shall be available to them.

4. **UPPER AGE LIMIT & AGE RELAXATION**

4.1. The upper age limit is 28 years as on 16.03.2021 for the posts of Executive Trainee in all disciplines.

4.2. The upper age limit is relaxable by 05 years for SC/ST category candidates and 03 years for OBC (Non-Creamy Layer) category candidates. It is relaxable by 10 years for PwBD-Gen/EWS, 13 years for PwBD-OBC (NCL) and 15 years for PwBD-SC/ST category candidates. The above relaxation in upper age limit is applicable only in respect of posts which are reserved for SC/ST/OBC (NCL) candidates. SC/ST/OBC (NCL) candidates applying against unreserved (UR) posts shall be considered under general standard of merit and no relaxation in upper age limit shall be available to them. Relaxation in upper age limit shall be applicable for PwBIs irrespective of the fact whether the post is reserved or not, provided the post is identified suitable for PwBIs. The upper age limit is also relaxable by 05 years for candidates domiciled in the state of Jammu & Kashmir between 1.1.1960 and 31.12.1989.

4.3. In case of Ex-serviceemen who have put in not less than six months continuous service in the Armed Forces of the Union, they shall be allowed to deduct the period of such service from their actual age and if the resultant age does not exceed by more than 03 years the maximum age limit prescribed for the post/s for which a candidate seeks appointment, he/ she also be deemed to satisfy the conditions regarding the age limit.

4.4. Maximum upper age of the applicant shall not exceed 56 years including all possible age relaxations.

All the above benefits will be governed by the policy of the Company in force amended from time to time.

5. **SELECTION PROCESS AND HOW TO APPLY**

5.1. GAIL will be utilizing Graduate Aptitude Test in Engineering – 2021 score (GATE-2021 Score) for recruitment of Executive Trainees in the disciplines of Chemical and Instrumentation during the year 2021.

5.2. Eligible candidates who wish to apply for the position of Executive Trainee in GAIL are required to register for GATE-2021 and thereafter, appear in GATE-2021 as per instructions and timelines notified by GATE-2021 organizing institute in one of the following relevant GATE Examination Papers:

Continued on page 7
It may be noted that candidates having an Engineering Degree in a branch/discipline other than as specified above are not eligible to apply.

5.3. Based on the GATE-2021 score and requirement, candidates will be shortlisted for Group Discussion and/or Personal Interview for the position of Executive Trainee in the above disciplines. Please note that only GATE-2021 score is valid for this recruitment exercise. GATE score of 2020 or prior to that is not valid.

5.4. The candidates who have registered with GATE-2021 are required to download the admit card from GATE Official website upon its activation. On receipt/download of GATE-2021 Admit card with registration number, candidates will have to separately apply online in GAIL indicating their GATE Registration Number in the "Careers" section of GAIL website www.gailonline.com. For this purpose, the relevant link will be made available in the "Careers" section of our website www.gailonline.com. It may be noted that application without valid GATE-2021 registration number will be rejected.

5.5. Please ensure that the GATE-2021 Registration number which is mentioned on your GATE-2021 admit card, is entered correctly in the online application. Name should be filled up as appearing in your GATE-2021 admit card. No request with respect to making changes in any data/particulars entered by the candidate in the online application will be entertained, once the application is submitted successfully.

5.6. Candidates will be required to apply online through GAIL website: www.gailonline.com only. Indicating their GATE-2021 Registration number. No other means/mode of application shall be accepted. The relevant link will be made available from 1100 hrs on 15.02.2021 till 1800 hrs on 16.03.2021.

5.7. A Candidate can apply for one post/discipline only. Candidates applying for more than one post/discipline will not be considered.

5.8. After successful submission of online application by the candidate, a unique registration number shall be generated by the system and a message shall be displayed in the system that the online application has been submitted successfully and an auto generated email informing the unique registration number shall be sent to the candidate informing that his/her application has been submitted successfully.

5.9. After applying online, candidates are required to take a print out of the Application Form generated by the system with unique registration number. The candidate has to affix his/her recent passport size colour photograph in the space provided in the application and put his/her signature as per instructions provided and keep it with him/her safely. Candidates called for Group Discussion and/or Personal Interview will be required to produce the application form along with the time of Group Discussion and/or Personal Interview. Candidates should not send print out of the online application to any of the offices of GAIL (India) Limited.

5.10. The passport size photograph affixed by the candidate should be same as submitted along with GATE-2021 application form. In case, the candidate is called for Group Discussion and/or Interview, he/she will be required to produce his/her original GATE-2021 admit card, GATE-2021 official score card, proof of the online application form as indicated above (clause no. 5.9) and other relevant documents (both original and one set of self-attested photo copy as indicated below.

(i) Document in support of Date of Birth proof.
(ii) All Certificates Testimonies in respect of qualifications (all semesters/years wise Mark Sheet, degree and Diploma certificates starting from matriculation onwards) along with Conversion document.
(iii) Complete and proper experience certificates/ documents issued by the Employer in support of experience details mentioned by the candidate in the online Application Form.
(iv) Only such PwD category candidates would be eligible to get the applicable benefit of reservation/concessions whose relevant disability percentage is 40% and above. For claiming the benefits of reservation/concessions applicable for PwDs, the candidate will have to submit a Disability certificate as per formats prescribed by the Ministry of Social Justice and Empowerment vide notification no. G.S.R. 2 (E) dated 30.12.2009 in support of their claim.
(v) Candidates belonging to OBC (Non-Creamy layer) category should produce their caste certificate in the prescribed format issued by the Government of India in support of their claim.
(vi) Candidates belonging to SC/ST category should produce their caste certificate in the prescribed format issued by the competent authority as prescribed by Government of India in support of their claim.
(vii) Candidates seeking reservation under EWS category will have to submit at the time of Group Discussion and/or Interview, an income and Asset Certificate issued from Competent Authority. The prescribed format and the Competent Authority have been given in Department of Personnel & Training Office Memorandum No. 36039/12/2010-Estt (R) dated 31.01.2010. The EWS certificate issued by Competent Authority should be valid on the closing date for receipt of online application in GAIL (the certificate will be valid for one year from the date of issue).
(viii) Prescribed format of caste certificate for SC/ST/OBC (NCL), EWS and PwD can be downloaded from "Careers" section of GAIL Website www.gailonline.com.
(vi) Ex-servicemen Proof (in case of ex-servicemen candidates).
(vi) NOC/Forwarding Letter from the employer in case the candidate is employed in Central/State Government Department, Central/State PSUs or Govt. Organization as a regular employee or under Fixed Term Employment (FTE). In case, any candidate fails to produce the above documents at the time of Group Discussion and/or interview, his/her candidature will not be considered.

**NOTE:**
1. “The reservation for PwBD as indicated for the Discipline of Trade Apprentice - Accountant shall be applied on horizontal basis, across all categories, as per the Government guideline.
2. No. of seats indicated above is tentative and may increase or decrease in the relevant categories at the absolute discretion of the management and in compliance with the Presidential Directives on reservation at the time of engagement.
3. In case of non-availability of suitable candidates for filling up seats against codes (12, 121, 25, 251, 38, 381, 51, 511 & 64, 641) or (13, 121, 26, 261, 35, 391, 52, 521 & 65, 651), the seats shall be filled by suitable candidates from code (12, 121, 25, 251, 38, 381, 51, 511 & 64, 641) or (13, 121, 26, 261, 35, 391, 52, 521 & 65, 651) as the case may be, as per selection criteria and other criteria parameters.

**A. Prescribed Qualification/Eligibility Criteria:**
1. **For Discipline Code - 01/14/2740/03** - Trade Apprentice (Electrical) – Matric with Regular Full Time ITI (Engineering) course recognized by NCVT/SCVT.
2. **For Discipline Code - 02/15/2841/54** - Trade Apprentice (Electrical) – Matric with Regular Full Time ITI (Electrical) course recognized by NCVT/SCVT.
3. **For Discipline Code - 03/16/2942/55** - Trade Apprentice (Electrical) – Matric with Regular Full Time ITI (Electrical) course recognized by NCVT/SCVT.
4. **For Discipline Code - 04/17/3043/56** - Trade Apprentice (Instrument Mechanic) – Matric with Regular Full Time ITI (Instrument Mechanic) course recognized by NCVT/SCVT.
5. **For Discipline Code - 05/18/3144/67** - Trade Apprentice (Mechanical) – Matric with Regular Full Time ITI (Mechanical) course recognized by NCVT/SCVT.
6. **For Discipline Code - 06/19/3245/68** - Trade Apprentice (Mechanical) – 3 years Diploma in Mechanical Engineering from recognized Institute/University with minimum 50% marks in aggregate for General, EWS & OBC candidates & 45% in case of SC/ST candidates against reserved positions.
7. **For Discipline Code - 07/20/3346/69** - Trade Apprentice (Mechanical) – 3 years Diploma in Electrical Engineering from recognized Institute/University with minimum 50% marks in aggregate for General, EWS & OBC candidates & 45% in case of SC/ST candidates against reserved positions.
8. **For Discipline Code - 08/21/3447/70** - Technician Apprentice (Instrumentation) – 3 years Diploma in Instrumentation Engineering from recognized Institute/University with minimum 50% marks in aggregate for General, EWS & OBC candidates & 45% in case of SC/ST candidates against reserved positions.
9. **For Discipline Code - 09/22/3548/71** - Technician Apprentice (Civil) – 3 years Diploma in Civil Engineering from recognized Institute/University with minimum 50% marks in aggregate for General, EWS & OBC candidates & 45% in case of SC/ST candidates against reserved positions.
10. **For Discipline Code - 10/23/3649/72** - Technician Apprentice (Electrical & Electronics) – 3 years Diploma in Electrical & Electronics Engineering from recognized Institute/University with minimum 50% marks in aggregate for General, EWS & OBC candidates & 45% in case of SC/ST candidates against reserved positions.
11. **For Discipline Code - 11/24/3750/73** - Technician Apprentice (Electronics) – 3 years Diploma in Electronics Engineering from recognized Institute/University with minimum 50% marks in aggregate for General, EWS & OBC candidates & 45% in case of SC/ST candidates against reserved positions.
12. **For Discipline Code - 06/25/3859/74** - Trade Apprentice - Accountant - Regular Full Time Graduate in any discipline with minimum 50% marks in aggregate for General, EWS & OBC candidates and 45% in case of SC/ST/PHD candidates for reserved positions from a recognized Institute/University.
13. **For Discipline Code - 12/26/3964/75** - Trade Apprentice (Housekeeping) – Matric with 12th pass qualification.
14. **For Discipline Code - 12/27/3965/76** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
15. **For Discipline Code - 12/28/3966/77** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
16. **For Discipline Code - 12/29/3967/78** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
17. **For Discipline Code - 12/30/3968/79** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
18. **For Discipline Code - 13/21/3970/80** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
19. **For Discipline Code - 13/22/3971/81** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
20. **For Discipline Code - 13/23/3972/82** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
21. **For Discipline Code - 13/24/3973/83** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
22. **For Discipline Code - 13/25/3974/84** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
23. **For Discipline Code - 13/26/3975/85** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
24. **For Discipline Code - 13/27/3976/86** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
25. **For Discipline Code - 13/28/3977/87** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
26. **For Discipline Code - 13/29/3978/88** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.
27. **For Discipline Code - 13/30/3979/89** - Trade Apprentice (Data Entry Operator) - Matric with 12th pass qualification.

*Note: The above list is not exhaustive and may include other disciplines and criteria not listed here.*
28. Reservation for PwBD Candidates for the Disciplines Code 68/67/68/69/70: To be eligible against reservation for PwBD, the permanent disability should be a minimum of 40% as issued by the Competent Authority in the Disability Certificate. Categories of Disability with a minimum of 40% and above are given below:
   - VH - PwV: Low Vision (LV)/Partially Blind (PB)
   - HH - PwH: Partially Deaf
   - OH - PwO: Musculoskeletal (OA - one arm affected/OL - One leg affected/OAL - One arm and one leg affected), Leprosy cured, Dwarfism, Acid Attack Victim, Cerebral Palsy
   MD - A combination of the above
The Rights of Persons with Disabilities Act 26/18 - Section 2(j) defines “person with benchmark disability” as a person duly certified by the certifying authority with:
   - Not less than 40% of a specified disability where specified disability has not been defined in measurable terms, and
   - A disability where specified disability has been defined in measurable terms.
The candidates are required to submit a Disability Certificate issued by competent authority as per the Rights of Persons with Disabilities Rules, 2017, failing which their candidature as PwBD candidates will not be considered. Persons with Benchmark Disabilities must be capable of performing the tasks assigned to them/take instructions using suitable aids and appliances.
PwBD candidates with less than 40% of permanent disability are NOT eligible.

29. The candidates who have undergone Apprenticeship earlier or pursuing Apprenticeship Training in an Industry as per the Apprenticeship Act, 1961/1973 as amended from time to time or job experience for a period of 1 year or more are NOT eligible.

30. Candidates who have completed 3 YEARS after acquiring the prescribed educational qualification as on date of reckoning, i.e., 31.01.2021 shall not be eligible for engagement.

31. Candidates, who have undergone training and/or having job experience for a period of one year or more are NOT eligible for being engaged.

In case the date of Declaration of result is not mentioned in the Mark Sheet, the candidate must submit a certificate mentioning the date of publication of result from the Principal of the College/Institute from where the candidate pursued his Graduation/Diploma in Engineering, along with his application form.

32. Candidates registered with Local/State Employment Exchange Vocational Rehabilitation Centre for Persons with Benchmark Disability (PwBD) and meeting the prescribed eligibility criteria, are required to apply online, failing which their candidature will not be considered.

B. Age Limit:
1. Minimum 18 years and maximum 24 years as on 31.01.2021 for General/EWS candidates. Relaxation of upper age limit for SC/ST/OBC (NCL)/PwBD candidates shall be extended as per Govt. guidelines.
2. Mark sheet/Certificate issued by Board of Secondary Education for passing Matriculation (Class X) examination shall be the only acceptable document in support of age.

C. Reservation, Concessions & relaxations to candidates belonging to  SC/ST/OBC(NCL)/PwBD/Economically Weaker Sections (EWS):
1. Reservation for candidates belonging to SC, ST, OBC (NCL), PwBD & EWS categories will be in terms of numbers indicated above.
2. Relaxation in upper age up to 5 years for SC/ST candidates and 3 years for OBC(NCL) candidates as mentioned against reserved positions will be allowed.
3. Relaxation in upper age up to 10 years for Persons with Benchmark Disabilities (PwBD) candidates irrespective of reservation of seats for them. Further, upper age relaxation of 5 years to PwBD candidates belonging to SC/ST category and 3 years to PwBD-OBC(NCL) candidates.
4. A PwBD candidate availing of any age relaxation (no relaxation in eligibility qualification marks/minimum test qualifying marks) shall be considered against unreserved seat in order of merit in the merit list as per Govt. guidelines.
5. Reservation for PwBD categories will be extended on horizontal basis, against notified numbers of seats in identified Trades/Disciplines.
6. Minimum prescribed qualification marks will be relaxed by 5% for candidates belonging to SC/ST/PwBD categories considered against reserved positions.
7. A person with a specified disability listed in the Schedule appended to the Act but not covered under Section 34(1), if certified by a certifying officer as a person with a specified disability as prescribed by Govt. of India, which would, among others, specifically mention that the candidate does not belong to the persons with a specified disability (creamy layer) as mentioned in column 3 of the schedule to the Department of Personnel & Training, Government of India No. 36/12/23/93-Estt (SCT) dated 29.05.1993 and OM No. 2003/22/2013-Estt. (Res.) dated 30.05.2014. In case of candidates belonging to OBC (non-creamy layer) category, name of OBC caste mentioned in the certificate should fall in the Central List of OBCs of the respective State and non-creamy layer status should be valid as on cut-off date of reckoning eligibility criteria, i.e., 31.01.2021.
8. Candidates belonging to OBC category but falling in creamy layer are not entitled to OBC reservation benefits. Accordingly, such candidates may choose to apply for the positions provided they meet the age criteria applicable to UR candidates and indicate their category as ‘UR (Unreserved).’

D. Period of Apprenticeship Training:
1. 12 Months for all disciplines except?
2. Trade Apprentice – Data Entry Operator (Fresher/Apprentices) will be having 15 Months training
3. Trade Apprentice – Retail Sales Associate (Freshers) will be having 14 Months training

E. Date of Reckoning Eligibility Criteria:
The date for the purpose of possession of qualification and meeting age criteria shall be 31.01.2021.

F. Selection Methodology:
1. Selection shall be on the basis of performance of the candidates on the basis of marks obtained by them in the Written Test (Duration 90 Minutes) and meeting notified eligibility criteria.
2. The Written Test will comprise of 100 questions with Objective Type Multiple Choice Questions (MCQs) consisting of four option with one correct option. The questions would be in bilingual i.e. English & Hindi.
3. The written test will assess the candidates on the following parameters:
   - Trade Apprentice - Accountant

Assistant Administrative Officer
KEY HIGHLIGHTS OF UNION BUDGET 2021-22

Presenting the first ever digital Union Budget, Union Minister of Finance and Corporate Affairs Smt. Nirmala Sitharaman stated that India’s fight against COVID-19 continues into 2021 and that this moment in history, when the political, economic, and strategic relations in the post-COVID world are changing, is the dawn of a new era - one in which India is well-placed to truly be the land of promise and hope.

The key highlights of the Union Budget 2021-22 are as follows:

**Six pillars of the Union Budget 2021-22:**
1. Health and Wellbeing
2. Physical & Financial Capital, and Infrastructure
3. Inclusive Development for Aspirational India
4. Reinvigorating Human Capital
5. Innovation and R&D
6. Minimum Government and Maximum Governance

**Health and Wellbeing**
- Rs 2,23,846 crore outlay for Health and Wellbeing in BE 2021-22 as against Rs. 24,452 crore in BE 2020-21 - an increase of 137%
- Focus on strengthening three areas: Preventive, Curative, and Wellbeing
- Steps being taken for improving health and wellbeing

**Vaccines**
- Rs 35,000 crore for COVID-19 vaccine in BE 2021-22
- The Made-in-India Pneumococcal Vaccine to be rolled out across the country, from present 5 states - to vaccinate 50,000 child deaths annually

**PM Aatmanirbhar Swasth Bharat Yojana**
- Strengthening of the National Centre for Disease Control (NCDC), its 5 regional branches and 20 metropolitan health surveillance units
- Expansion of the Integrated Health Information Portal to all States/UTs to connect all public health labs
- Operationalisation of 17 new Public Health Units and strengthening of 33 existing Public Health Units at Points of Entry, that is at 32 Airports, 11 Seaports and 7 land crossings
- Rs 64,160 crore outlay over 6 years for PM Aatmanirbhar Swasth Bharat Yojana - a new centrally sponsored scheme to be launched, in addition to NHM
- Main interventions under PM Aatmanirbhar Swasth Bharat Yojana
  - National Institution for One Health
  - 17,786 rural and 11,034 urban Health and Wellness Centers
  - 4 regional National Institutes for Virology
  - 16 Health Emergency Operation Centers and 2 mobile hospitals
  - Integrated public health labs in all districts and 3982 block public health units in 11 states

**Critical care hospital blocks in 602 districts and 12 central institutions**
- Strengthening of the National Centre for Disease Control (NCDC), its 5 regional branches and 20 metropolitan health surveillance units
- Expansion of the Integrated Health Information Portal to all States/UTs to connect all public health labs
- 17 new Public Health Units and strengthening of 33 existing Public Health Units
- National Research Platform for WHO South-East Asia Region
- Nutrition
  - Mission Rashtriya 2.0 to be launched
  - To strengthen nutritional content, delivery, outreach, and outcome
  - Merging the Supplementary Nutrition Programme and the Rashtriya Abiyahan
- Intensified strategy to be adopted to improve nutritional outcomes across all Aspirational Districts
- Universal Coverage of Water Supply
  - Rs 28,000 crore over 5 years for Jan Janwan Mission
  - Mission Rashtriya 2.0 - to be launched with an aim to provide: 2.06 crore household tap connections
  - Universal water supply, in all 4,376 Urban Local Bodies
  - Liquid waste management in 500 AMRUT cities

**Roads and Highways Infrastructure**
- Highest ever outlay of Rs 10,101 crore for Ministry of Road Transport and Highways - highest ever outlay for Ministry of Road Transport and Highways

Key Highlights of Economic Survey 2020-21

- India's gross domestic expenditure on R&D (GERD) is lowest amongst top ten economies.
- PMAY-JAY Adoption and Health outcomes:
  - Pradhan Mantri Jan Arogya Yojana (PM-JAY) - the ambitious program launched by Government of India in 2018 to provide healthcare access to the most vulnerable sections demonstrates strong positive impacts on healthcare outcomes in a short time.
  - PM-JAY is being used significantly for high frequency, low-cost care such as dialysis and continued during the Covid pandemic and the lockdown.

- Fiscal Development:
  - India adopted a calibrated approach best suited for a resilient recovery of its economy from COVID-19 pandemic impact.
  - In contrast with a front-loaded large stimulus package adopted by many countries.

- COVID-19 pandemic led to a sharp decline in global trade, lower commodity prices and tighter external financing conditions with implications for current account balances and currencies of different countries.

- India's forex reserves have not been worthwhile for a long time due to USD 5 billion on January 08, 2021, covering about 18 months worth of imports.

- India experiencing a Current Account Surplus along with robust capital inflows leading to a BOP surplus since Q4 of 2019-20.

- Rupee appreciation/depreciation:
  - In terms of 6-currency nominal effective exchange rate (REER) (trade-weighted), Rupee depreciated by 16.8% December 2020 over March 2019, appreciated by 2.9% in terms of real effective exchange rate (REER).

- In terms of 3-currency REER (trade-weighted), Rupee depreciated by 2.3% in December 2020 over March 2019.

- RBI’s interventions in forex markets ensured financial stability and orderly conditions, controlling the volatility and one-sided appreciation of the Rupee.

- Interventions undertaken to promote exports:
  - Production Linked Incentive (PLI) Scheme
  - Remission of Duties and Taxes on Exported Products (RoDTEP)
  - Improvement in logistics infrastructure and digital initiatives.

- Money Management and Financial Intermediation:
  - Accumulatory monetary policy during 2020, repo rate cut to 4% by February 2021.
  - Systemic liquidity in FY2021-20 has remained in surplus so far.

- Prices and Inflation:
  - Headline CPI inflation averaged 6.6% during April-December, 2020 and stood at 4.6% in December, 2020, marking the 5th consecutive month in food inflation (6.7% in 2019-20 to 9.1% during April-December, 2020 owing to build-up in vegetable prices).
  - Moderated price momentum by November 2020 for most sub groups, coupled with positive real base effect helped ease inflation.
  - Rural-urban difference in CPI inflation saw a decline in 2020.

- Sustainable Development and Climate Change:
  - India has taken several proactive steps to mainstream the SDGs into the policies, schemes and programmes.
  - Voluntary National Review (VNR) presented to the United Nations High-Level Political Forum (HLF) on Sustainable Development.

- Agriculture and Food Sovereignty:
  - India's Agricultural (and Allied Activities) sector has shown its resilience amid the adversities of COVID-19 induced lockdowns with a growth of 3.4% at constant prices during 2020-21 (first advance estimate).
  - The share of Agriculture and Allied Sectors in Gross Value Added (GVA) of the country at current prices is 17.8% for the year 2019-20 (CSO-Provisional Estimates of National Income 29th May 2020).
  - Pradhan Mantri Garib Kalyan Anna Yojana:
    - 98.96 crore beneficiaries were provided foodgrains above NFSA mandated requirement free of cost till November 2020.

- Over 200 LMT of foodgrains were provided amounting to a fiscal outlay of over Rs. 75,000 Crores.

- Aatmnirbhar Bharat Package:

INDIA'S VACCINATION PROGRAM, AN EXAMPLE FOR THE WORLD: PM

In his monthly radio program, Mann Ki Baat on 31st January 2021, Prime Minister Narendra Modi said that our fight against Corona is on and India is running the world’s largest and fastest vaccination exercise. The Prime Minister said that the global community has hailed India’s efforts as he referred to a recent tweet by the Brazilian President Jair Bolsonaro who said that in just 15 days, India has vaccinated more than 3 million of its corona warriors. The country’s COVID-19 recovery rate has reached 97.15 per cent. A total of 17.824 COVID patients recovered during the last 24 hours. The total number of recoveries has gone up to 1,04,80,455 as per the Health Ministry.

AGRI MINISTER ASSERTS GOVT COMMITTED TOWARDS GAON, GAREEB AND KISAN

Union Agriculture Minister Narendra Singh Tomar asserted in Rajya Sabha that the government under the leadership of Prime Minister Narendra Modi is committed towards the development of Gaon, Gareeb and Kisan in the country. Participating in a discussion, Mr. Tomar said that despite holding a series of threadbare talks with the farmer unions, none of the unions came up with the provisions which they think are more realistic. The Prime Minister said the farm laws allow farmers to sell their produce even outside the APMC Mandis. He added that in the open market the farmers are not required to pay the tax levied in the Mandis.

PRODIGIUS INDIAANS SUPPORT GOV'TS STAND ON FARM LAWS

Legendary singer Lata Mangeshkar has shared Indian personalities, including cricketer Sachin Tendulkar, actors Akshay Kumar and Aamir Khan, to express support to the government’s stand on the ongoing farmers protests, saying that the country is capable of solving problems amicably. Bharat Ratna Lata Mangeshkar’s tweet came after the Ministry of External Affairs reached out sharply to certain sections on farmers' protests. With the hashtag “IndiaTogether” and “IndiaAgainstPropaganda”, the 91-year-old singer tweeted, “India is a glorious nation and we all Indians stand with our hearts filled with pride.”
