SAVING LIVES THROUGH LARGE SCALE IMMUNIZATION CAMPAIGNS

Urvashi Prasad

Vaccination is a fundamental public health intervention for preventing severe disease manifestations and saving lives. India has implemented several immunisation programs over the years. Till recently, as in 2020, India accounted for over 60% of the world's polio cases. Due to a massive vaccination campaign targeting millions of children, India was officially declared polio-free in 2014.

Another prominent example is the Universal Immunisation Programme (UIP) which seeks to protect around 30 Million pregnant women and 26 Million children annually against 12 diseases. These initiatives have played a key role in reducing India's Maternal Mortality Rate from 300 per 100,000 in 1990 to 113 per 100,000 now. The Under 5 Child Mortality Rate in the country has also reduced to 36, which is less than the world average of 39.

In 2014, the Government launched Mission Indradhanush (MI) to significantly enhance immunisation coverage in the country by reaching out to the most vulnerable and inaccessible communities.

ECONOMIC EMPOWERMENT OF TRIBAL COMMUNITIES

The Aadi Mahotsav organised by the Tribal Cooperative Marketing Development Federation of India (TRIFED) was held recently in February 2021 at Dilli Haat in New Delhi. The fortnight-long National Tribal Festival saw the participation of thousands of tribal artisans, chefs, artists, and cultural groups from 25 states across the country. The rich tribal culture evident in the form of rare tribal handicrafts, handloom, and natural products, tribal cuisines were on display in about 200 stalls.

The Aadi Mahotsav succeeded in winning the hearts of the public as witnessed by the heavy footfall and the sales registered. The wares of the tribal artisans, be it the fine Patitapacha paintings, or the lovely silks from Assam, or the exquisite tribal jewelry from Odisha and the beaded necklaces from the North-east have been much liked. Add to it the earthy, exotic tribal cuisine from Chhattisgarh, from Chhattisgarh, from Chhattisgarh, from Chhattisgarh, and litt chokha from Jharkhand to thepdi roti of Odisha and chhapda chutney of Chhattisgarh.

"It is necessary to make the tribal communities real stakeholders in the development process" - PM Narendra Modi

The foods available to one's senses in the festival have been many. As reported by TRIFED, perhaps making up from the losses registered due to the lockdown, the Aadi Mahotsav has order worth Rs 8 crores has been placed by TRIFED, leading to a total of approximately Rs 12 crores in business transactions for the tribes participating in this festival. The Aadi Mahotsav has truly been a celebration of the spirit of tribal life - crafts, culture and cuisine.

Employment News spoke to Mr. Pravir Krishna, Managing Director of TRIFED which organises this annual event in association with Ministry of Tribal Affairs. The interviewee is S. Ranga-bashism, a New Delhi-based News Anchor with All India Radio.

EN - Aadi Mahotsav was held recently from 01-15 February, tell us about the basic objective of this festival.

Pravir Krishna - The TRIFED is a family of 5 lakh artisans who live in forests. They are very good producers but marketing is a problem. Aadi Mahotsav is a concept to give them access to large markets. Tribal handicrafts and forest products that are made into value-added items, they need to be sold directly in the market by eliminating the middleman. The concept of Aadi
Several lessons have been learnt through the implementation of these large-scale vaccination programs. A large part of the success of the COVID-19 vaccination drive, for instance, is attributable to the fact that it received attention from various stakeholders, including the Prime Minister communicating with all Chief Ministers to work towards achieving the goal of 90% immunisation in their States. A number of Government ministries beyond the Ministry of Health & Family Welfare were involved with the immunisation efforts, with clearly spelled out roles and responsibilities. These included the ministries of Health and Family Welfare, Child Development, Panchayati Raj, Minority Affairs, Human Resource Development as well as Defence and Railways for transporting supplies and expanding the channels for delivery of vaccines. A clear implementation process was developed, with an emphasis on training of staff at every level, creation of district-level task forces, line listing of beneficiaries by frontline health workers, community mobilisation, real-time tracking of vaccination data and extensive use of technology to develop e-dashboards. To foster community participation in the vaccination process, held workers.

The Appellate Tribunal for Electricity (APTEL) was set up at New Delhi by the Government of India under the provisions of the Electricity Act, 2003. The Tribunal consists of the Chairperson and two Judicial Members and three Technical Members including one Technical Member appointed under the Petroleum and Natural Gas Regulatory Board Act, 2005. One post of Technical Member in the Tribunal will become vacant on 25.11.2021. It is proposed to fill up the anticipated vacancy.

1. The appointment to the post of Technical Member of APTEL shall be made in accordance with relevant provisions of Electricity Act 2003 read with section 160 & 154 of the Finance Act, 2017 and Tribunal Appellate Tribunal and other Authorities (Qualification, Experience and other Conditions of Service of Members) Rules, 2020 ("Tribunal Rules 2020") and in accordance with the Hon'ble Supreme Court Judgment dated 27.11.2020 in Writ Petition (C) No. 640 of 2020.

3. The relevant provisions of the Tribunal Rules, 2020 are as under:

Qualifications: A person shall not be qualified for appointment as Technical Member unless he is a person of able and integrity and standing having special knowledge of, and professional experience of, not less than twenty five years in matters dealing with electricity generation, transmission, distribution, regulation, economics, business, commerce, law, finance, accountability, management, industry, public affairs, administration or in any other matter which is useful to the Appellate Tribunal.

Term of office and Age: Under the provisions of the rules 9 (2) of the Tribunal Rules, 2020, read with the Hon'ble Supreme Court judgment dated 27.11.2020, the Technical Member shall hold office for a term of five years or till he attains the age of sixty seven years, whichever is earlier.

Salary and allowances: As per rule 11 of the Tribunal Rules read with the Hon'ble Supreme Court Judgment dated 27.11.2020.

Medical Fitness: As per rule 5 of the Tribunal Rules 2020, no person shall be appointed as the Technical Member of the Appellate Tribunal unless he is declared medically fit by an authority specified by the Central Government in this behalf.

The prospective candidate has also to give a declaration in the prescribed proforma that he/she does not have any financial or other interest, which is likely to affect prejudicially his/her functioning as Technical Member of the Appellate Tribunal for Electricity.

The conditions and process for appointment of the Technical Member, Appellate Tribunal for Electricity shall be governed by the relevant provisions of Electricity Act, 2003. Tribunal Rules 2020 and Hon'ble Supreme Court judgment dated 27.11.2020. Further, the appointment to the post of Technical Member, APTEL is subject to amendment to be made by Department of Revenue to the Tribunal, Appellate Tribunal and other Authorities (Qualification, Experience and other Conditions of Service of Members) Rules, 2020. The relevant extract of Electricity Act, 2003; Finance Act, 2017; Tribunal Rules, 2020; and extract of Supreme Court judgment dated 27.11.2020 in this regard are available with the vacancy circular posted on the website of Ministry of Power.

Applications/ nominations are invited in the proforma given at Annexure, from suitable persons having qualification and experience as prescribed in Tribunal, Appellate Tribunal and other Authorities (Qualification, Experience and other Conditions of Service of Members) Rules, 2020 read with Hon'ble Supreme Court Judgment dated 27.11.2020 for appointment as Technical Member of APTEL so as to reach the Ministry of Power latest by 09.04.2021 addressed to the Deputy Secretary (R&R), Ministry of Power, 2nd Floor (Room No. 223), Shwam Shakti Bhavan, Rafi Marg, New Delhi - 110001. Computational & Data Sciences, Smart Manufacturing

Based on 70% GATE score + 30% performance in online written test and interview

*CAT means figure of Merit based on 10y12WUG/GPA marks/GPA

2.1.2 Eligibility

Candidates possessing a minimum of Second Class or equivalent in a bachelor’s degree in at least one of the following disciplines:

- Engineering / Technology / Chemistry / Physics / Computer Science

Note: * Candidates enrolled upto 31.05.2013 with professional societies (e.g AMIE) recognized by MoE/UPSC/SC/ACET are only eligible to apply.

2.1.3 M.Tech Programmes

Based on 100% GATE score + 30% performance in online written test and interview

2.1.4 Eligibility

Candidates possessing a minimum of Second Class or equivalent in a bachelor’s degree in at least one of the following disciplines:

- Engineering / Technology / Chemistry / Physics / Computer Science

Note: * Candidates enrolled upto 31.05.2013 with professional societies (e.g AMIE) recognized by MoE/UPSC/SC/ACET are only eligible to apply.

2.2 Master of Design (M Des) in Product Design and Engineering offered by the Centre for Product Design and Manufacturing.

2.2.1 Eligibility

Candidates possessing a minimum of Second Class or equivalent in a bachelor’s degree in Engineering / Technology / Architecture / Design with a valid GATE 2019/2020/2021 orCEED examination score as on 02 August 2021 are eligible to apply.

2.2.2 Selection procedure

Candidates will be shortlisted for online interview based on GATE / CAT / GMAT score as per the schedule given on the ISc website under Important Dates. Therefore, the candidates with GATE are required to register on COAP as detailed at section 2.1.4.

3. INTEGRATED PH D PROGRAMMES

3.1 Eligibility

Disciplines

- Biological Sciences
- Chemical Sciences
- Mathematical Sciences
- Physical Sciences

Qualifying examination

- Biological Sciences
- Chemical Sciences
- Mathematical Sciences
- Physical Sciences

3.3.3 Selection procedure

Candidates will be shortlisted for online interview based on their JAM 2021 scores for all the disciplines, and those cleared JEST 2021 for Physical Sciences. Selection for (a) Chemical Sciences will be based on the performance in the entrance examination, (b) Biological, Physical and Mathematical Sciences will be based on combined performance in the qualifying examination and online interview.

4. Ph under External Registration Programme (ERP)

This programme is meant for (1) professionals from R&D Organizations / Industries and (2) Tech under Regular Members of Pace, The Academy of Pharmaceutical - Veterinary, Medical Colleges / Universities, recognized by the appropriate government agencies.

4.1 Eligibility

The educational qualifications remain the same as the regular candidates. Qualifying through at least one national examination like CSIR-UGC NET for JRF / DBT JRF / ICMR JRF, JEST, NBHM, Screening Test 2021; INSPIRE. Applicant must be qualified for Junior Research Fellowship (JRF) to be eligible to apply through NET JRF mode.

4.2 Selection procedure

Based on the performance in an Online Interview.

B. GUIDELINES FOR PERSONS WITH BENCHMARK DISABILITIES USING A SCRIBE

The Visually Impaired candidates and candidates whose typing/writing speed is not performed permanently for any reason can use a scribe at the cost during the online test, subject to limits as in (i) and (ii) below. In all such cases where a scribe is used, the following rules will apply:

(i) The candidate will have to arrange his/her own scribe at his/her own cost.

(ii) The scribe may be from any academic stream.

Both the candidate as well as the scribe will have to give a suitable undertaking along with a letter at the time of test confirming that the scribe fulfills all the stipulated eligibility criteria for a scribe mentioned above. Further, in case the scribe transpires that he/she did not fulfill any laid down eligibility criteria or suppressed material facts the candidate of the applicant will stand cancelled, irrespective of the result of the test. Proforma of undertaking is available on RBI website.

PwBD candidates who have physical limitation to type including that of speed shall be allowed compensatory time of 20 minutes per hour of the test whether availing the facility of scribe or not.

The same scribe cannot be used by more than one candidate. In addition the scribe arranged by the Candidate should not be a candidate for the test. In violation of the above it is detected at any stage of the process, candidate of both the candidates and the scribe will be disqualified. Candidates will be permitted to use the services of a scribe in the test should invariably and carefully indicate the same in the online application form. Any subsequent request may not be entertained.

Only candidates registered for compensatory time will be allowed such concessions since compensatory time given to candidates shall be system based, it shall not be possible for the test conducting authority to provide compensatory time for candidates not registered for the same. Candidates not registered for compensatory time shall not be allowed such concessions.

The candidate should opt for using scribe/compensatory time only if they are eligible for availing these services/concessions as per the rules and guidelines of Government of India (GoI) under RPWD Act, 2016 in this regard.

The above guidelines are subject to change in terms of GOI guidelines/categorizations if any, from time to time.

C. Guidelines for PwBD Candidates

ECONOMIC EMPOWERMENT OF TRIBAL COMMUNITIES

Mahotsav is to invite these wonderful artisans from their forest dwellings and give them access to large markets, so that they can sell their products easily and at remunerative prices. We invite close to 1000 artisans, who sell their products for around Rs. 15 to 20 lakhs during the 15 day festival which is more than what they will earn for the whole year in the village market. Call it Mahotsav 06, it is celebrating the tribal economy, tribal commerce and tribal way of life.

EN - When was this festival started and how has the response been over the years?

PK - Response has been tremendous. The Aadi Mahotsav was started in 2017 and it has grown from strength to strength. We have been showcasing the tribal craft, culture, commerce and community spirit. It has grown significantly in the last few years, especially post-Covid. It has become quite difficult even to walk in Delhi Haat. We have had all precautions in place and in line with guidelines have had no complaints and much to artisans. The tribal economy has bounced back after being hit for the last 7-8 months.

EN - The Govt is now focusing on Atmanirbhar Bharat and Vocal for Local. How can TRIFED contribute in that direction?

PK - Our 5 lakh tribals are all local and we are trying to be vocal for them and promoting them. TRIFED is meant to be the mascot for them. These are all women artisans and we consume not only in the domestic market but are also exported after value addition. TRIFED is spearheading the campaign. I would ask the country to buy tribal products which are second to none.

EN - Why is that the tribals do not get right price for their products

PK - These artisans produce about 26000 types of handicraft, handloom and forest items which we have catalogued. Since they dwell in forests they are good producers but poor marketing people. They don’t market. They are in the clutches of middlemen who buy at cheap rates from them and sell them for big profits. TRIFED gets them to large markets directly, so that they can sell at good prices. I will give the example of Tamrind, which is sold at Rs. 15 per kg in the primary market. You desire it and sell it for Rs. 400 per Kg. Value add it and tamarind sauces and chutneys sell for Rs. 1200. This is the magic of value addition, branding and retailing. This is where TRIFED comes into picture to help them get higher remunerative prices for their produce.

EN - Tell us about this new initiative of “Van Dhan Startup”

PK - It is a tribal start up. The wealth of forests has to go back to the forests. The Forests Rights Act makes the tribals the owners of non-timber forests. Everything inside the forests belongs to the tribals. We are trying to set up 50,000 Self Help Groups. What Anil Madhav Dave, who visited us in Gujarat, we want to do the same for the tribals of our country. Minimum Support Price (MSP) has been fixed for 76 such minor forest produce. We have introduced this Van Dhan scheme to value add, package and retail. We have injected Rs.1000 crores into the tribal ecosystem during the Covid pandemic. Through Van Dhan we are looking at a Rs.10,000 crore setup and trying for net level of Rs.50,000 crores all over the country.

EN - You said tribals are the owners of non-timber forest. Could you elaborate on that. Are they really the owners of the forest.

PK - The Parliament enacted the Indian Forest Rights Act in 2005 through which the non-timber forests belong to tribals who reside in those areas. So actually, they own it. They are free to buy and sell the forest produce. Selling the raw material gives you a very low price. So instead of selling raw material, process it and then sell it and increase the income to three times. This is the concept of Van Dhan on which TRIFED is working. The tribal entrepreneurship program it is not just gathering but value addition, branding and marketing.

EN - How do you propose to compensate and rehabilitate tribals who have lost livelihood during Covid pandemic?

PK - This program Van Dhan is entirely to get tribals into the enterprise mode. We are looking at tribals to reside in forest areas. They used the produce to sell as raw materials. We are trying to create these Van Dhan Vikas Kendras, where they will process, value add and package these products and then it will sell for 3 times the price of raw material. This is an employment generation and tribal social economic development program which looks at employment and income generation of tribals. We are now giving into TRIFED forests, which is a large scale production from Van Dhan. Kwai Khar has 300 people whereas TRIFED will have 10,000 people. TRIFED is a tribal food park in association with Ministry of Food Processing coming up at Bassert, M.P. and Rajpura, Maharashatra.

EN - Are you focussing on a couple of forest produce?

PK - We are taking up Maha and a synonymous relationship with the forest. Tribals have survived only where there are forests, hence we are putting focus on areas where there are forests. We have worked with tribals where there are forests. The inherent strength of a tribal is to live in forests and use the resources. They have lot of skills which you and I don’t have. This is still not to be monetised, so that the income goes up and quality of life improves.

ABOUT TRIFED...

Ministry of Tribal Affairs (MoTA) is the nodal Ministry for the overall policy planning and coordination of programmes for the development of Scheduled Tribes (STs). Though the primary responsibility for promotion of economic, educational and social development of STs rests with the Central Ministries, the Ministry of Tribal Affairs complements their efforts by way of various developmental interventions in critical sectors through specially tailored schemes. These schemes are implemented through State Governments, Union Territories Administrations and voluntary organisations.

As per the National Action Plan under the Ministry of Tribal Affairs, TRIFED interacts and collaborates closely with MoTA. TRIFED was established in August, 1967 under the Multi-State Cooperative Societies Act, 1984 by the Government of India as a National Level Cooperative Body. TRIFED is mandated to bring about socio-economic development of tribals of the country by institutionalising the trade of Minor Forest Produce (MFP) & Surplus Agricultural Produce (SAP) collected/cultivated by them.

TRIFED plays the dual role of both a market developer and a service provider, empowering them with knowledge and tools to better their operations in a systematic, scientific manner and also assist them in developing their marketing approach.

TRIFED is involved actively in capacity building of the tribal people through sensitisation and the formation of Self Help Groups (SHGs). TRIFED is engaged in training the tribals in several activities, so that they can effectively carry out their work.

MoU signed for creating self-employment opportunities for Tribal Communities

Recently, the Khadi and Village Industries Commission (KVIC) and the Ministry of Tribal Affairs signed two MoUs for purchase of Khadi fabric for tribal students, and on partnering of Tribal Affairs Ministry with KVIC as an implementing agency for Prime Minister Employment Generation Programme (PMEGP). Speaking on the occasion, Minister of MSME, Shri Giriraj Singh said, the Ministry of Tribal Affairs will procure over 6 lakh meters of Khadi fabric worth Rs 14.77 crore in 2020-21, for the students running in over 15,000 Tribal Schools being run by the Ministry. He said, the quantum of purchase of khadi fabric shall also increase proportionately with the increase in the number of Ektaa Schools every year.

Minister of Tribal Affairs, Shri Arjun Munda said that National Scheduled Tribe Finance Development Corporation (NSTFDC), an agency of the Tribal Affairs Ministry responsible for economic development of tribals in India, will be roped in as a partner to implement PMEGP Scheme. NSTFDC provides concessional loan schemes for funding entrepreneurial ventures of aspiring scheduled tribes in all sectors of economy. The MoU will thus benefit the tribals by engaging them in various production activities and creating self-employment opportunities. The alliance of NSTFDC and KVIC will increase the coverage of PMEGP Scheme among the Scheduled Tribes.

India commenced its COVID vaccination drive on 15 January, 2021. In the first phase over 14 million vaccinations have been carried out for healthcare and frontline workers. In order to further increase the pace of vaccination, private sector participation is being scaled up. Around 10,000 hospitals under Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana and 687 hospitals under the Central Government Health Scheme can be used by States as COVID Vaccination Centres (CVCs). States can also utilise all private hospitals empanelled under the State Government Health Insurance Schemes as CVCs along with the health facilities of Public Sector Undertakings and all Government health facilities. Geo reference maps with the GPS coordinates of all health facilities which will serve as CVCs have been prepared and are being shared with States.

All private health facilities which will serve as Government CVCs are required to follow the due process, quality and safety norms, including integration with the National CoWIN Technology platform. Private health facilities are required to have sufficient space, the necessary cold chain infrastructure, an adequate number of vaccinators and support staff as well as arrangements for addressing any adverse events that happen following immunization. Private hospitals functioning as CVCs can recover a charge subject to a ceiling of INR 250 per person per dose.

India is a key manufacturer and supplier of vaccines for the world. In fact, estimates suggested that India meets 62% of the global demand for vaccines. Based on an appreciation of the fact that the pandemic will not end in any part of the world till it ends everywhere, India launched its unique Vaccine Maitri Initiative. This initiative is also aligned with one of India’s key foreign policy tenets - ‘Vasudhaiva Kutumbakam’ i.e. ‘The World is One Family’. The pandemic has underscored the importance of a shared response to global health emergencies.

Thus far, at least 92 countries have approached India for the COVID vaccine. Till 26 February 2021, India had provided around 36 Million doses of the vaccine to numerous countries including Bangladesh, Myanmar, Nepal, Bhutan, the Maldives, Mauritius, Seychelles, Sri Lanka, Bahrain, Oman, Afghanistan, Barbados, Dominica, Brazil, Morocco, Bangladesh, Myanmar, Egypt, Algeria, South Africa, Kuwait and the UAE. While 6.6 million doses of COVID vaccines have been supplied as grant assistance, 29 Million doses have been supplied on a commercial basis. Implementing the largest adult immunization programme in the world in the midst of a pandemic is undoubtedly challenging. However, this mammoth task can be achieved by leveraging the lessons learnt from India’s previous large-scale vaccination efforts including meticulous microplanning, capacity development at every level, systematic multi-sectoral engagement, recognition of the use of technology and social mobilisation.
